The Collector of

Sir,

North Arcot.

I have the honor to acknowledge
the receipt of your foot note dated 7-11-97
Reference on B.O. & Govt. no. $\frac{192}{97}$ appended
to G.O. no. 2260 M. dated 15.10.97. Calling
for a report regarding the division of Srirangam
Municipality into wards for electoral purposes.

2.

The Subject was discussed at two
meetings of the Municipality, which I attend,
and the unanimous opinion of the local
members of the Council was, that the main
object desired viz "that each different
"class of the population should be fairly
"represented on the Council Board" could

not be effected except by dividing the
Town into 4 wards. The result would be
best obtained, it was considered, by
dividing the Town into the wards now
proposed. It would have been, in some
ways, more convenient to have followed
more closely, the existing Municipal
divisions, but it was not found feasible.
It will be seen from the enclosed statement
showing the list of voters of each ward
that a Mahomedan will, almost certainly,
be elected for the 1st ward and a Kybula
(weaver) for the second. There are the
most influential Castes in the town.
A Bania (oil monger) probably and
a Komiti, probably, will be elected for the
3rd and 4th wards respectively. I recommend
that the town be divided for electoral
purposes into the 4 wards proposed

and that one member be assigned
to each.

3. The map showing the boundaries
of wards, a statement of such boundaries
and a statement showing the no. of voters
of each caste in the wards are enclosed.
I have, however, called for a statement
showing the boundaries of the proposed
wards in greater detail, as I think it
may be required by Government. It will be
forwarded when received.
