Def. 1

Si,

I beg to state that the paper is of 31-10-98 when I was asked to look after the work of R.H.S. who was on leave. It was ^{then} only 4 days since I joined the office and don't know how the mistake occurred. The only explanation that I can offer is that, most probably the paper was given to C.J. the then acctt for entering ^{the p.p.} in the Sanction Register and he has, instead of passing it on for copying kept in the records. The system of despatch bundles was introduced not only later and there was no occasion to see the paper again. The mistake is regretted and no mistake has occurred hitherto subsequently to that & more care will be exercised in future.
