LOCAL & MUNICIPAL DEPARTMENT

Sir

I have the honor to forward herewith copies of my Telegrams forwarded to you and regret to see that one of them was not understood. The pilgrims arrived here by morning local from Bombay on the 5th Instant. and were detained.

2. Your telegram was received the same evening. As it would be difficult to trace them after they go to Cabcutt. and as they were very dirty I have determined

determined to keep them for 10 days for
observation and thorough disinfection.
After their arrival I found that
3 mounds of their luggage had been
stowed away to Calcutta from
Bombay. I have therefore wired to
District Medical and Sanitary officer
Malabar to take charge of the
luggage and have it disinfected.
4 A copy of the letter from Port
Health officer which accompanied
them is herewith forwarded for
information. They are destitute
and are fed at Government expense
Many of them are in poor health and
require Extras.

Certified that 31 persons mentioned in the accompanying list are pilgrims from Jeddah. They have been carefully examined and appear from plague. As several of them are in a poor state of health I would strongly recommend that they be sent on to Bombay immediately and be free from detention at any of the Camps enroute to Calicut. Suitable provisions should be made for food and water on the journey
