NOTE FOR THE P.C.

The number of observation circles in Murnook was originally 14.

- 2 In his letter printed in go. no 1037 P. 41 P. 9-58, the Coll. suggested the abolition of 7 circles on the Sky described frontiers and this distribution by 7 new circles on the Bellamy and Montapur frontiers. The Govt approved of the abolition of the 7 circles but not of the creation of the new circles.
- 3 In go. no 1109 A.P. 41 17-9-58 the Coll. was asked to have been observation circles round frontiers. He appears to have established 3 circles ^{already} - vide para 1 of the Current.
- 4 In the D.C. telegram of the 15 instant, the Coll. was requested to extend the system of observation circles to cover Mologualli also. He accordingly proposes to have 4 new circles at Mologualli.

Dated - Camp. Madolihera the
20th December 1898.

Read the following telegram
from the Plague Commissioner
dated the 15th Instant —

Extend system of observation
round Guntakal to cover Mplagaveli
also.

Order

The Madolihera, Pattikonda, and
Pagadroi circles have already been
formed to ensure observation of
passengers from infected parts to
a depth of 20 miles from Guntakal.

The following 4 circles will now
be organized to extend the system of
observation to cover an area of 20
miles radius from Mplagaveli.
