OFFICE OF THE SECRETARY, MADRAS RACES.

Madras, 29th December 1898.

The Plague Commissioner
Madras

Dear Sir,

With reference to your circular memorandum dated 22nd inst issuing instructions as to the necessity of providing syces for horses coming from a plague infected locality I write to ask whether syces who have been inoculated will be allowed to pass without detention

I remain, Dear Sir

Yours faithfully

Sir, your letter no 453 of 29-12-98.

Persons who have been inoculated are not liable to detention while travelling when sick, or carrying dirty clothes. For the latter reason they may be stopped at an inspection station at the discretion of the doctor in charge. A copy of the order stating the concessions allowed to inoculated persons is enclosed.

W. H. A. M. S.
Hon: Secretary

Perhaps it will be better to send in a list of names of inoculated persons.

& find that the order is amended recently. 3 groups

are to be made arrangements accordingly.

Notice

Persons sending horses from plague infected areas by rail through Indragabada Hospet, and Jolarpet Railway Plague Inspection Stations are informed that the Syces accompanying the animals are liable to be detained at the Inspection Stations for a period of ten days under the Plague regulations. They are therefore requested to arrange for a second Syce from a non infected area being present at the inspection station through which an animal belonging to them has to pass, to release the man coming from the infected area. If such an arrangement is not made both the animal and the Syce will be liable to be detained and the owner will be required to pay 8 annas a day for stabling besides the keep of the horse during the period of detention unless the Syce brings with him sufficient provender (No 42 of page 266 of Part I A of the Fort St George Gazette dated 13th September 98).

Note

Syces are also liable to detention at Hindupur. Owners sending horses through this station from infected areas should make arrangements accordingly.
