C.S.

SECRETARY TO GOVERNMENT - 6 SEP. 1898 LOCAL & MUNICIPAL DEPARTMENT

~~Order~~ Endorst No. 1898

Transferred to the L & M. Dept with the remark that Govt has nothing to do with the supply of Medical Stores to the Medical Storekeeper to Govt, as that officer is directly subordinate to the Govt of India. If L & M can see their way to arrange that a stock of Hydrochloric Acid is required, it would therefore seem desirable to wire to the Govt of India to arrange for the supply now asked for.

MEDICAL STOREKEEPER TO GOVERNMENT,

MADRAS COMMAND,

To

THE Secretary to the Surgeon-General,
with the Govt of Madras.
Madras.

Reference :—

SIR,

I have the honor to bring to your notice that the Stock of Acid Hydrochloric B.P. at this depot is being rapidly exhausted, on account of Indents for plague purposes. The acid is used with Hydrargyri Perchloridi for disinfecting purposes and therefore it is a necessary article for precautionary measures against plague infection.

Considering that plague is reported to have made its appearance in certain places in this Presidency I would respectfully request that the Surgeon-General will be pleased to move the Madras Govt

PACK PAPERS

CHIEF SECRETARY'S RECEIVED
5 SEP 1898
GOVERNMENT OF MADRAS

93 & 898

Government to send at my disposal 500 lbs of Acid Hydrochloric B.P. with as little delay as possible.

The Commercial acid would answer plague purposes, but as the difference in price between the Commercial and B.P. Acids is very trifling, it would be well to obtain the B.P. acid which can also be utilized for issues on indents for Medical purposes, should any remain in stock after the plague is over.

As the acid is very urgently required I would suggest that it be obtained from Messrs. Waldie & Co's Chemical Works, Cossipore, Calcutta, whose price is I believe, lower than that of English firms, taking into consideration the cost of freight &c.

I have the honor to be,
Sir,
Your Most Obedient Servant,

Surgeon-Major,
Medical Storekeeper to Government.

SURGEON-MAJOR-GENERAL C. SIBTHORPE, C.B., F.R.C.P.I.,
SURGEON-GENERAL WITH THE
GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,
Public DEPARTMENT.

SIR,

In continuation of my letter No 363, dated the 2nd Instant, I have the honor to solicit that Government will be pleased to authorize Messrs Waldie and Co Chemical works, Cossipore Calcutta, to supply the Medical Storekeeper to Govt. Madras Command, with 250 lbs of Sulphuric acid required for disinfecting purposes in segregation and observation camps as the stock maintained at the Med. Store Depot is limited and required for ordinary use in hospitals.

2. Surgeon Major N. Hanson late acting Sanitary Commissioner having instructed the Medical officer on Plague duty at Tungabhadra to obtain Phenyle which he considered to be better than Commercial Carbolic acid as a disinfectant I would suggest that 1000 lbs be ordered from London by telegram to be kept at

at the Medical Store Depot, Madras,
for supply to Plague camps.
3. The stock of phenyle at the Depot
do nil.

I have the honor to be,
