GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

Read—the following paper :—

From ROBERT. B. CLEGG, Esq., I.C.S., Acting Collector and District Magistrate of Salem, to the Secretary to Government, Local and Municipal Department, dated 12th September 1898, Ref. No. 120–P.C.

The Superintendent, Government Press, Madras, says in his letter, No. 3953, dated 10th instant, that he has received no instructions to issue separate intimation forms under the original Mufassal Plague Regulation No. 17-ix and that the only intimation form that is supplied from the Press is the one under Regulation 17-viii. The substance of Regulation 17-viii being printed at the top of the latter form, it will be misleading if the same form is to be used under Regulation 17-ix also (*i.e.*) in respect of travellers other than those passing through or proceeding directly from a Railway Inspection station, and I have the honour to request, therefore, that a form of intimation under Regulation 17-ix may be prescribed and the Superintendent, Government Press, directed to supply the number required for road frontier inspection stations. The Railway intimation form modified in some such way as shown in the enclosed copy, will serve the purpose.

Order—No. 1074 P., dated 15th September 1898.

The Superintendent, Government Press, Madras, is requested to print the form as amended by Government and to supply copies to Collectors according to their indents.

(True Extract.)
