Sir,

With reference to G. O. N^o 2858 and 2859. M. dated 31st December 1897, I have the honour to inform you that this Municipality does not now entertain ^{any pupil} at a training College for the reason that it has not found any difficulty in finding trained teachers when vacancies have arisen and according to a resolution of the Council, all the teachers now employed are so, no untrained men have been for the last 3 years, or in future in case of vacancy will be appointed. Wherefore there seems no necessity for this Municipality taking further action regarding para: 48 of the Government Order.

2. As regards para: 47, I beg to report that this Municipality always employs a trained midwife, and there is besides a private Diplomat midwife in the town. The Lady Doctor of the Cochin Government is also residing in Cochin, hence no necessity for further female medical aid

is felt. With regard to the suggestion of Government that the Council should endow a Duffin Scholarship, the Secretary to that Fund about 2 years ago addressed the Chairman on the subject, when a reply was sent to the effect that the Council was unable to endow a Scholarship for lack of funds seeing that the endowment will cost at least Rs 300 per annum for 4 years. I beg further to mention that the grant in aid to the Hospital from Provincial Funds has been reduced by Government from Rs 520 to Rs 82½ which represents 1/8 only of the annual salary of a Hospital Assistant.

Under such circumstances I beg to submit that the Council is unable to endow a Duffin Scholarship.

I have the honour to be,
Sir,
your most obedt. servant
Alfred G. Gover
Chairman
