Chairman, Municipal Council,
Palghat

To,
J. A. A. Freeman Esqre I.C.S.,
Ag Secretary to Government,
Local and Municipal Department,
Fort St George.

Through,
The Collector of Malabar.

Sir,
With reference to G.O. No 695 M. Mis, dated
1st April 1898, I have the honor to subjoin
resolution of the Municipal Council No 1,
dated 4th Instant

Present.

M.O. Dy. P. I. Chinnaasawmy Pillay Avargal, Chairman
" O. Ananta aiyar Avargal.
" A. N. Anant anar aiyar Avargal.
" V. Raman Nair Avargal.
" S. Veeraraghava aiyar Avargal.

M. P. Q. A. Krishnan Nair Avargal.

" A. Chockalingam Pillay Avargal.

" V. Vythilingam Pillay Avargal.

" Read G.O. N° 695 M. M. is dated 1st April
" 1898, passing orders on the resolution of
" the Council N° 1 dated 1st December 1897.

Para 2. " As regards the Private Scavenging
" Service, about which it is ordered that
" a report should be submitted to
" Government, through the Collector, by
" the end of June 1898, the Council
" most respectfully venture to point
" out that their statement that
" people do not welcome the private
" scavenging system is, to a certain
" extent, borne out by the Collector, in
" his endorsement on the Chairman's
" letter N° 3846, read in the G.O. under
" reference. Mr. Danu has the
" most intimate knowledge of the
" town of Palghat, having been the
" Chairman of this Municipality

" for a period extending over eight
" years, and he states in his endorse-
" ment that "the introduction of
" "private scavenging is necessary only
" "in parts of Palghat," that "a great
" "deal of the town consists of detached
" "houses, each standing in its own com-
" "pound," that "the inmates, when no
" "vacant spaces are available, resort
" "to their compounds for the purposes
" "of nature," and that "the action of the
" "elements soon causes the disappearance
" "of the faeces with less danger to health
" "than would be afforded by the usual
" "unsavoury latrine." At the same time,
" the Council resolve to take immediate
" steps to further extend the system,
" and to make it self supporting, as
" ordered by Government. The Council
" consider that they cannot reduce the
" Private Scavenging Establishment in
" the face of the remarks of the Sanitary
" Commissioner, read in G.O. N° 549 M. M. is
" dated 10th March 1898. It is therefore

" resolved that the rate of fees be raised
" from 3 to 4 annas per mensem from
" 1st July 1898. The number of houses
" under the service rose from 664 to
" 733 in the last year, and the net
" expenditure in the last year amounted
" to Rs 392-15-9 against Rs 729 in the
" previous year. By the increase in
" the rate of fees, and by the expected
" further extension of the service in
" the current year, the Council beg
" to assure Government that the
" service can be worked without loss
" to the Municipality."

" With regard to the remarks
" of Government in respect to the
" insanitary condition of the Brahmin
" villages, which form the densest
" parts of the town, the Council beg
" to state that, in Kalpathu and some
" other Brahmin villages they had
" resolved to open paths, with a view
" to enable the scavengers to have
" access into the backyards, and that

" a notification for the acquisition of
" the land was published in the Fort
" Saint George Gazette on the 30th March
" 1897. In view of the Government order
" in the G.O. under reference that the
" revenue derived from the general
" tax payer should not be devoted to
" the working of a purely private
" service, and of its order contained
" in para (4) of G.O. No. 1376 Ms dated
" 8th June 1897, recording with remarks,
" the Deputy Sanitary Commissioner's
" Inspection Notes on the Parlakimedi
" Municipality, the Council do not
" propose to acquire the land from
" the Municipal fund, and resolve
" to carry out the order of Government
" by prosecuting the persons who keep
" their backyards in an insanitary
" condition."

" Para 3. The Government observes
