LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers:—

From D. W. G. COWIE, Esq., Acting Collector of Chingleput, to the Secretary to Government, Local and Municipal Department, dated Saidapet, 3rd September 1898, Ref. on No. 1357—Genl.

In submitting a copy of the letter * of the Agent of the South Indian Railway, I have the honour to state that two consignments of empty baskets in which ducks had been exported into the Bombay Presidency were sent back to Conjeeveram and were burnt. The orders prohibiting the re-importation of such baskets have been published in the District Gazette, and the Secretary to the Conjeeveram Municipality has also been requested to warn all dealers in ducks. It would, however, be of more effect to prevent the exportation of the baskets from railway stations in the affected localities than to prosecute the owners after the baskets have been brought back, and I, therefore, venture to request that the Governments of the localities infected with plague may be asked to prohibit the exportation of the empty baskets.

ENCLOSURE.

From the Officiating Agent, South Indian Railway, to the Acting Collector of Chingleput, dated Trichinopoly, 29th August 1898, No. R. 1563—29-3145.

[Prohibition against the re-importation of empty duck baskets.]

Your letter No. 1357 of 18th August 1898.

On receipt of G.O., No. 590 P., of 18th June 1898, instructions were issued to all stations exporting ducks to the Bombay Presidency that the re-importation to the Madras Presidency of the baskets in which the ducks had been imported is strictly prohibited, and the Arkonam junction stationmaster was directed to report any case in which empty baskets were received from Bombay.

The first consignment reached Conjeeveram on the 6th and the stationmaster reported the fact to the Police.

The second consignment reached Conjeeveram on the 14th and was also reported to the Police.

The baskets were, I am informed, burnt by the Municipality.

These consignments should not have been allowed to pass Arkonam and this matter is being further looked into.

This administration cannot forbid other railways from accepting consignments, it therefore seems advisable that the Madras Government should move the Bombay Government to issue orders on the subject.

From the Officiating Agent, South Indian Railway, to the Collector of Chingleput, dated Trichinopoly, 8th September 1898, No. R. 1563—29-3237.

Referring to your letter, No. 1357-Genl., of the 18th August 1898, and to the concluding portion of my letter, No. R. 1563—29-3145, of 29th August 1898, regarding the prohibition against the re-importation of empty duck baskets from Bombay, I

have the honour to inform you that the reason why the two consignments mentioned in my letter above quoted were not stopped at Arkonam is that the baskets were invoiced from Bombay as "Bamboo matting."

This emphasizes the necessity for the Government of Bombay being asked to issue orders against the sending of the baskets in question.
