The Collector of Anantapur

Sir,

In reply to your letter R.O.C. 1: 353 P dt 8.10.98 I have the honour to convey my sanction for digging a well for the Hundapur Camp if there is not one close by which can be used exclusively for Camp purposes.

As regards the suggestion of the Surgeon General to fence in the sheds, I think all that may be necessary at present is a small ditch dug round the camp to mark the boundary, unless escape of the segregated is apprehended when a proper fence will be required.

I have etc
