CURRENT No. 1799 P.

No. 2028/S

Forwarded with the recommenda-tion that the allotment herein applied for for meeting plague charges be sanctioned separately, as the working balance available seems sufficient for requirements for the rest of the year. It is advisable that the assignment for cholera should remain untouched, as cholera season in Tanjore is during the North East Monsoon. Should the town enjoy immunity from the disease, the provision will pro tanto swell the balance to be carried forward.

Sir,

With reference to your endorsement No. 120 C. dated 26.8.98 I have the honor to State that the provision of Rs 3,300 made for Combating Cholera was thought not adequate to meet the charges on account of Plague also as a Staff of Men Costing Rs 170 per annum had to be maintained on Plague duty from the beginning of the year.

There is also the prospect of the expenditure increasing as a large number of arrivals from Plague infected localities are reported day after day: the season of Cholera is near at hand

Owing to these causes it was deemed advisable to have a separate allotment for plague alone.

If however the Government is not prepared to sanction the allotment now the application will be renewed when the actual necessity arises for it.

The endorsement under reply and the connected papers are herewith enclosed.

I have the Honor to be
Your Most obt Servt
