## GOVERNMENT OF MADRAS.

## LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

(1) Telegram from the Treasury Deputy Collector of Bellary, to the Secretary to Government, Local and Municipal Department, dated 9th September 1898, reporting a case of suspected indigenous plague at Chippigiri in Alūr taluk.

(2) Telegram from the Secretary to Government, Local and Municipal Department, to the Collector of Bellary, dated 10th September 1898 :—

“Government desires you and Additional Medical Officer to proceed Chippigiri and take all precautionary measures. If it is a genuine plague case, co-operate with Anantapur in establishing observation staff 20 miles round Guntakal under Additional Regulation 22.”

(3) Telegram from the Sanitary Commissioner for Madras, dated 16th September 1898, stating that the Collectors of Bellary and Anantapur are forming double observation circles round Guntakal, and suggesting that the Collector of Kurnool should also join and that individual circles round Guntakal should be 5 miles instead of 10 miles temporarily for three weeks.

ORDER—No. 1109-A P., dated 17th September 1898.

The following telegrams will be despatched :—

(1) Telegram to the Collector of Kurnool—

“In communication with Collector, Anantapur, establish observation circles at once bordering Anantapur and Bellary for 20 miles round Guntakal.”

(2) Telegram to the Sanitary Commissioner—

“Kurnool ordered to adopt your proposals.”
