If Mr. Thomson can conveniently spare Mr. Broughton, I have no objection to his appt as Ag. Dy Coll. - but I don't like it because - He has started with a good many of his European Assistants - Now Unconvention - task him & he can't ask India for staff & perhaps join absentee-ism.

THE SECRETARY TO GOVERNMENT,

SIR,

I have the honour to state that as this district was placed under observation & Guntakal was declared an infected area, and as two inspection Stations at Hindupur and Guntakal have been opened and six observation circles have been established the work connected with plague has considerably increased. More Plague sheds in the important Stations of Toda-patri. Gooty Pamidi. Anantapur, Dharmavaram & Penukonda have to be constructed in case people are attacked there. the plague camp at Guntakal has to be much extended: all these increase the work daily & I am in consequence not able to pay

pay as much close attention as is desirable to my ordinary office work. The Jamabandy of the Madakasira Taluq which I was to do this year, I have ordered the Head Quarter Deputy Collector to do this year as I could not go there away from the Railway lines. Further considering the present circumstances I think the work of plague will continue for some time and if so I fear that I cannot attend to it without detriment to my ordinary work. I therefore request that Government will be pleased to appoint a special Deputy Collector under rule 26 of the Additional Plague Regulations.

I have the honour to be,
Sir,
Your most obedient Servant
