GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), Mis. No. 4559, dated 29th November 1897:—

Read—the following letter from M.R.Ry. C. AUDICASAVULU NAIDU GARU, B.A., B.C.E., Sub-Division Deputy Collector, Ongole, to the Collector of Nellore, dated 25th May 1897, Ref. No. 689-G.C.:—

In the village of Davagudur, Kandukur taluk, there are two charitable tope inams as noted below:—

Name of inamdar.	Title-deed number.	Survey number.	Extent.	Assessment.	Existing trees.
Kancherla Ramudu	562	153	ACS. 8-65	RS. A. P. 21 10 0	67
Mandadi Subbayya	561	156	4-55	6 13 0	38

2. For want of sufficient trees in the topes, notices were served on the inamdars on 20th August 1896 to plant the deficit trees in six months, but they have not been obeyed.

3. The inamdar of tope No. 153 is reported to have died on 25th October 1896, and his sister, the only surviving heir, does not want the tope.

4. The inam pattas are not forthcoming.

5. I therefore recommend the resumption of the inams in question and their incorporation with koru.

Endorsement by the Acting Collector of Nellore, dated 6th June 1897, No. 1690-Ver.

Submitted to the Board of Revenue (Land Revenue) with the recommendation that the resumption of the inams referred to be sanctioned.

Reference on the above, dated 23rd June 1897.

The Collector is requested to ascertain if the taluk board concerned is willing to accept the assessment of the inams (covered by title-deeds Nos. 561 and 562) now proposed to be resumed and to utilize the same on some charitable object to be specified by it (*vide* G.O., No. 1159, Revenue, dated 2nd August 1875, communicated with Board's Proceedings, No. 2577, dated 15th September 1875). A copy of the resolution that may be passed by that board on the subject should be forwarded.

2. The Collector's attention will be drawn to paragraph 10 of Board's Proceedings, No. 379, dated 23rd July 1892, embodied in Board's Proceedings, No. 639, dated 4th November 1892, and he will be requested to report whether the tope land relating to title-deed No. 562 may itself be transferred to the taluk board, as the only surviving heir of the inamdar in that case is alleged to have said that she does not want the tope.

3. The number of trees which were found in each of the topes in question at the time of the Inam settlement should also be reported.

(Signed) R. C. C. CARR,
Secretary.

Read—the following letter from J. K. BATTEN, Esq., Acting Sub-Collector of Nellore, to the Collector of Nellore, dated 12th November 1897, Ref. No. 689-Gl.:—

Adverting to your Ref. No. 501-G.B.-Ver., dated 26th July 1897, I have the honour to report as follows.

2. The taluk board is willing to accept the assessment of the inams covered by title-deeds Nos. 561 and 562 of Davagudur and to utilize the same towards the maintenance of a water-pandal at Kattempudivarigunta on the donka road two miles from Davagudur. Copies of the Board's resolutions, No. 142, dated 11th September 1897, and No. 167, dated 6th November 1897, are enclosed.

3. The tope land covered by title-deed No. 562 cannot be transferred to the taluk board, as the surviving heir of the inamdar has since stated that she wants the land on ryotwari patta in case of its resumption by Government.

4. The Tahsildar of Kandukur reports that there are no records either in his office or in the village giving information as to the number of trees that existed in the topes at the time of the inam settlement.
