TO

THE SECRETARY TO GOVERNMENT,
Local and municipal DEPARTMENT,
Ootacamund Madras.

SIR,

In resubmitting the papers received with Endorsement No 119 dated 26th ultimo, I have the honor to state that at the instance of the District medical and Sanitary officer the plague charges for 6 months to be incurred by the municipality were estimated at Rs 1904 in the annual plague budget submitted with reference to Government order No 514 D dated 25th May 1898 as

1. Hospital assistant on Rs 55 for 6 months	330
One subordinate plague officer on Rs 50 for 6 months	300
Plague allowance	90
3 ward attendant and servants	167
Petty construction and repairs	500
Diet of patients	166
Drugs and clothing	67.

per details given in the margin and the municipal Council was requested

to allot the amount so that it might be available for Expenditure when required. A sum of Rs 1500 having been already provided in the municipal budget on account of plague charges, it was necessary for the Council to allot only the difference but not the whole Rs 1904. Since then, however, the District has been placed under observation and the Chairman states in his letter No 92 dated 12th instant that the additional allotment is necessary for Constructing observation and plague Camps, for the observation staff and for providing them with stores, medicines etc. The provision of accommodation under Regulation 2 of the original mufassal Regulations, is urgently called for

medicines and instru-	}	200

and I therefore support the Chairman's application.

I have the honor to be,
Sir,
Your most obedient servant,

Robert B. Bly
