NOTIFICATION BY THE AGENT TO THE GOVERNOR-GENERAL IN BALUCHISTAN.

Dated *Quetta* the *3rd Sept.* 1898.

No. *5931*

Whereas Karachi and certain parts of India are visited by, and the Quetta District is threatened with, an outbreak of a dangerous disease known as bubonic plague; and whereas the ordinary provisions of the law in force in the said locality are insufficient for preventing the spread of the disease; the Officiating Agent to the Governor-General, pursuant to the provisions of Section 2 Sub-section (1) of the epidemic diseases Act 1897, as applied to the Agency territories in Baluchistan by Foreign Department Notification No. 444-T. A., dated the 4th February 1897, and in exercise of the powers conferred upon him by the Governor-General in Council in Notification No. 809-I. A., dated the 1st March 1897, is pleased to prescribe the following temporary regulation for observance therein by all persons concerned :—

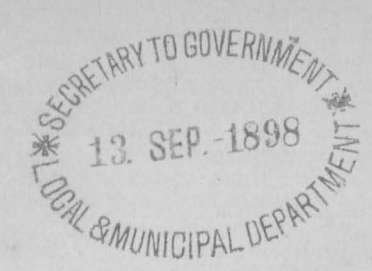

As the importation into Quetta, from Karachi or any other plague-infected area, of certain articles, is considered dangerous to the public health, the Officiating Agent to the Governor-General is pleased to direct that, with effect from the date of this Notification and until further orders, the importation into Quetta from Karachi, of rags, old clothing, or ground grain, such as flour, is strictly prohibited. The importation of gunny-bags, except with the permission of the Special Sanitary Committee, is also prohibited. Any rags, old clothing, gunny-bags or flour found to have been imported into Quetta contrary to the provisions of this order, shall be seized and confiscated. All such confiscated articles shall be destroyed under the orders of the Special Sanitary Committee of Quetta and no claim for compensation to the owner thereof will be entertained.

BY ORDER,
P. T. SPENCE, CAPTAIN,
First Assistant.
