Sir

In reply to your letter No. 2482 of 97, I have the honor
to report as follows:—

ENCLOSURES.

The net demand under tax
on ~~arts~~ not as yet been ascertainable
owing to the appeals for the 2d
half of 1897-98 not being disposed of
as yet; the net demand for
1896-97 as arrived at by the Auditor
was accepted as the probable net
demand for 1897-98. Taking this
figure as the basis of calculation
the sum of Rs 9000 shown in the
revised estimate under tax on
arts is composed of the following
items

Net demand of 1896-97 accepted as probable net demand for 1897-98	7400-00
Arrear Collections 1895-96	280-00
Do do do 1896-97	290-00
Add for pensioners newly assessed	300-00
Add probable amount expected under Supplementary lists viz new arrivals & exemptions of previous years likely to re-open business in current year or to be re-assessed being exempted on insufficient grounds not now existing.	730-00
	9000-00

2 With reference to the allotment of Rs 2000 under hospital buildings (new works), I have the honor to state that Government being urgent about the construction of a new hospital at a very early date and the plans & estimates for a new hospital being daily expected it is surmised that the whole of the allotment under this head will be utilized in excavating foundations, filling in the same, as also on the basement work within the current official year - hence the provision in the Column of the revised estimate probable charges during the last 4 months. I may here add that the practice of showing this amount as probable expenditure has been in vogue for several years and no exception has hitherto been taken to it.

I regret that owing certain records having to be referred to there should have been a delay in reply to your letter quoted above.

I have the honor to be
 Sir
 Your most obedient servant
