the following proposal of the Municipal
Council for favorable Consideration
and Sanction by Government.

2. The lighting system of this
town as it is now carried on by three
servants on Rs 10 each per mensem has
not been working satisfactorily, in as
much as there has been no proper officer
appointed until now to superintend
the work of the above servants. Complaints

are

are not infrequent regarding the
irregularity on the part of the lighters
in lighting the lamps daily, and
other drawbacks. Further, Cases of lamps
broken by Children at large during
play as also of burners and Chimneys stolen
are being repeatedly brought to the notice
of the Council and however much the
present servants be instructed to guard
against the above mishaps, it has been
of late felt that unless a separate and
responsible head be put over the lighting

men, no efficient Control can be secured.

3. It is therefore proposed
that a lighting Superintendent be
appointed to the work on a salary ranging
from Rs 8 to 10 per mensem as has been
done in many other Municipalities.

4. The usual enclosures are
herewith submitted for the Council
and sanction by Government.
