Accordingly the council at their meeting held on 22nd ultimo, resolved to transfer Rs 150 from repairs Buildings and Rs 150 from repairs communications.

I therefore request you will be good enough to accord the sanction of Government for transfer. The copy of the council's resolution and the application for transfer of funds are herewith enclosed.

V (a). In accordance with the resolution of the Council dated 22nd July 98 the Chairman submitted to the Government the application for transfer of Rs 300/- to meet the charges for the impending Bubonic Plague. The Government returned the application for submission through the Collector with the remark that the expenditure on Communication during the last 3 years has been below the prescribed minimum of 50 per-cent of the net municipal revenue from Tolls, and that the Council should Consider whether the required funds may not be obtained by transfer from other Heads, without reducing the allotment from Communications.

The roads in the Municipality being in excellent Condition, the Council is of opinion that this is the only Source from which they can spare funds.

NOTE FOR THE Second Asst.

There is no objection to the transfer of Rs 150 from Grant 1. repairs - buildings to Grant 3. Epidemic charges; but as the expenditure on communications in this town has been much below the prescribed minimum of 50 per cent. of the net municipal revenue from tolls during the last three years — Vide the Administration reports for 1895-96, 1896-97 it seems to be undesirable to reduce the allott for Communications in 1897-98. The Council should therefore be asked to report whether the balance, viz: Rs 150, may not be transferred from the allotment under some other head.
