In submitting herewith a copy of a resolution
of the Municipal Council adopted at a meeting held on the
12th March 1898, I have the honor to submit that the Council
has directed me to obtain from the Government an authoritative
ruling in the following case, whose history is as follows :-
2. Some time ago, when the local Civil Surgeon suspended
one of the Compounders attached to the Civil Hospital and
requested the District Medical and Sanitary Officer, Kistna,
to spare him the services of a Compounder to act for the
suspended man, he sent one from Tiruvannamalai to work under
the Civil Surgeon, who after his arrival here, submitted a
bill claiming Rs 2-8-9 as travelling allowance, which the
Civil Surgeon forwarded to me for payment; but I felt
doubts as to the validity of "

the G.O. No 1488, dated 17th August 96 and the provisions of the Civil Service Regulations relating to travelling allowance were both inapplicable to him, he being only a Compounder and not a medical subordinate and of the inferior service, and I therefore returned the bill to the Civil Surgeon requesting him to quote the authority for the claim put forward. He thereupon wrote to the District Medical and Sanitary Officer requesting him for information as to whether the L. F. Board had framed any special rules in regards to the grant of mileage to its Compounders when transferred, so that the same might be applied to the Municipalities. He replied to say that nothing could apparently be done as it was against the clear orders of the Civil Service Regulations. On this, the Civil Surgeon requested me to sanction the payment of annas four to the Compounder which is allowable under the Civil Service Regulations as baton. I placed this request before the Council at a meeting held on the 12th Instant when it felt that it would be very hard to make a poorly paid man travel all the way from a distant place and not to pay him the charges incurred in so doing, and it therefore resolved to address the Government on the point.

3. Such being the case, I request that you will be kind enough to favour me with the opinion on the matter.

I have the honor to be,
Sir,

Your most obedient servant

2. Under article 1216 of the Civil Service Regulations, an officer in inferior service may not draw travelling allowance for a journey or transfer, except under the special order of the local Government. But there is nothing in the Regulations to prevent that "special order" being one directing the payment of a mileage allowance for the road journey from Tiruvannamalai to the nearest Railway Station, probably Madurai or K. K., the Madurai Guaranteed State Railway, and third class Railway fare thence to Guntur.

3. The word "baton" used by the Chairman does not occur in the Civil Service Regulations. If he means "Daily Allowance", he is mistaken in saying it is admissible for a journey or transfer.

To

THE *Secretary to Government*

Local and Municipal Department
Fort Saint George.

SIR,

With reference to the acting Assistant Secretary's endorsement No. 652, dated the 27th May 1898, referring to me for remarks a letter from the Chairman, Municipal Council, Guntur, regarding the grant of travelling allowance to a compounder transferred from the Local Fund Department, I have the honor to state that a compounder drawing not more than Rs 10/- is an inferior servant and is not therefore entitled to travelling allowance on transfer, as pointed out by the Collector, in the absence of the ^{Special} Sanction of Government - vide article 1216 (a) of the ^{Code} ~~of the Code~~. If however ^{Sanction} ~~this~~ be accorded, the amount claimed (Rs 1-15-6) will be admissible as it represents the travelling allowance payable under the regulations viz. Single 3rd class railway fare and mileage at 1 anna a mile.
