Remarks of M. P. P. P. Venkataratnam M. P.
Garu M. A. regarding the Municipal School
at Masulipatam (Vilandapalem for washermen)

I inspected both the petitioner's school at
Masulipatam and the Municipal School
for washermen at Vilandapalem on two occasions
on the 25th of August 1896 and again about a year
afterwards. On both the occasions I found the
result-grant school of the petitioner in a satisfac-
tory state, with about 60 children present,
while the Municipal School at Vilandapalem
was a mere apology of a school, the only attractive
feature about it being the fine furniture furnished
by the Municipality. Hardly a score of little
urchins put in their appearances; & of even
that small number scarcely one third consists of
children of washermen caste for whom the school
is said to be meant. The petitioner's school being
close to Vilandapalem and the petitioner offering
to educate patis such poor washermen's children
as the Municipality might recommend I am
of the humble opinion that to close the rickety school
at Vilandapalem would really cause no hardship
to any party, but bring the Municipality a
handsome saving.

Aq. Assistant Inspector of Schools
G. K. Division

To The Director of Public Instruction, Madras

Sir, I have the honour to reply to your Proceedings No. 2655 dated 11th March last calling for an expression of opinion on the resolution of the Municipal Council, Masulipatam, to close the school at Unlandapalem.

2. The school was examined for grant on the 24th of November last when the number on rolls was 34 of whom only 12 pupils were presented as shown below.

	on rolls	Presented	Passed
Infant -	15/9	6/1	4/1
I -	4/2	2	2
II -	3/1	3	3

3. More than a third of the number of pupils consisted of girls whose names are generally retained simply to augment the number on the rolls.

4. The Municipal Councillor who recommended the

The abolition of the school (Copy of whose report is herein enclosed) remarks that a very small proportion of the pupils attending the school belonged to washermen classes, and this is corroborated by Mr. P. M. Venkayya Pantulu who examined the school.

5. I therefore agree with the Municipal Councillor in thinking that no hardship will result to the washermen community especially because the Manager of the long standing results school in close proximity to the Saturday results school offers to instruct the children belonging to that community free of charge, on the recommendation of the Municipal Council.

6. The Council seem to have closed the school long before the receipt of the G. O. reviewing the Municipal budget and the revival of the school need not be insisted on.

7. I beg to be excused for the long delay caused in submitting this reply as I had to obtain the necessary information regarding the circumstances and grounds upon which the Council resolved to close the school.

I have the honor to be,
Yours most obedient servant

Copy submitted to Government with reference to paragraph 2 of G. O. No 383 M dated 15th February 1898.

2. The Municipal Council appears to have already closed the school in question and, in the circumstances reported by the Assistant Inspector, ~~I consider that~~ the revival of the school need not be insisted on.
