Referring to Government order
dated 16th August 1898 calling
for report whether instances
of omission to issue pass-ports
to passengers from infected
places have come to notice.
to notice.

FROM

A. J. Pinkney, Esquire,
Acting Collector of
South Canara.

TO

THE ~~CHIEF~~ SECRETARY TO GOVERNMENT,
Local and Municipal Department,
Fort St. George.

Sir,

With reference to your memorandum No 102 P,
dated the 16th ultimo, I have the honor to state
that except the Tahsildar of Kasaragod all the
other officers consulted report that no instances of
omission to issue pass-ports to passengers from
places infected with plague have come to notice.
The Tahsildar of Kasaragod however reports that
five persons who landed at Cannanore from Bombay
in June last were not given pass-ports, although
they were duly examined by the medical officer
at Cannanore and the prescribed intimation was
given to the District Medical and Sanitary Officer
of this District. But the alleged omission to issue
pass-ports in this case is apparently based on the
statements of the passengers themselves, which must
needs be received with caution.

2. As regards omissions to observe the passengers
from infected parts, the District Medical and
Sanitary Officer writes that he has received 13
reports

reports in all from different places outside the District under clauses VIII & IX of Regulation 17. But only 4 persons appertaining to two of these reports appear to have been observed, while the remaining persons are stated to have either not presented themselves for observation or not reached the destinations appearing from the reports. The system of observation had not been introduced in this District till recently except in the case of arrivals by sea at certain ports to which the quarantine Regulations had been applied. But necessary orders have since been issued upon the subject and the system will now be worked with due care and vigour.

I have the honor to be,
Sir,

Your most obedient servant,

D. Brown
For Ag. Collector
