In its resolution, dated 8th January 1898, the municipal Council of Bezawada proposed that the appointment of a Secretary might be deferred for the present for want of funds. The Government, however, did not accept the plea of want of funds urged by the municipal council, and as it was of opinion that, although the finances of the municipality were not then quite satisfactory, a capable Secretary might be expected to increase the resources of the municipality and, by efficient management, effect savings more than sufficient to cover the cost of his employment, the council was requested to reconsider its resolution in the

3
matter and report the result to Government.

2. With his letter read above, the Chairman forwards a resolution of the Council stating that it sees no reason to reconsider its former resolution in the matter and requesting that the Secretary need not be appointed so long as the present Chairman holds his office, on the ground, *inter alia*, that under the present Chairman, the municipality is managed economically and efficiently. Both the Head Assistant Collector and the Collector consider it improbable that Bezawada would be better off with a paid Secretary than under the present Chairman and recommend ^{as in the case of Guntur} that the appointment of a Secretary need not be insisted on ~~as in the case of Guntur~~. In view therefore of the opinion expressed by these officers and of the fact that the administration of the municipality during the years 1895-96 and 1896-97, under the present Chairman, Mr. R. Ras Bahadur S. Lingayya, was considered as efficient, it is

Sir,

Referring to G.O. No. 585 M. Ins.
dated the 16th March 1898, I
have the honor to submit the
opinion of the Council arrived
on reconsideration regarding
the question of appointing a
Secretary for this Municipality
vide resolution No. 4 of 14.4.98
(Copy enclosed).

2.

This Municipality

1924

is 23^d in the list of 30 Municipalities having an average income of 30,000 or upwards. It is an infant Municipality of 10 years standing.

3. The efficiency in the Collections of the several revenues of this Municipality is remarked as good by Government in its General Reviews vide G.O. No. 2858, 2859 M. dated 31.12.97 paras 10 & 11 and G.O. No. 2148, 2149 M. of 21.12.96 para 10.

4. The percentage of house tax was raised from 5 to 6 $\frac{1}{2}$ during 1897-8 and from 6 $\frac{1}{2}$ to 7 $\frac{1}{2}$ during the

current year. The incidence of taxation including tolls was 1-1-11 which stands 5th in the Presidency vide Appendix IX attached to G.O. No. 2858, 2859 M. of 31.12.97. This incidence was calculated when the percentage of house tax was 5 Rs and as it is now raised to Rs 7 $\frac{1}{2}$, the incidence will become higher.

5. As for the General Administration of the Municipality, the Government was pleased to remark that the Administration is good vide G.O. No. 2148, 2149 M. of 21.12.96 para 58 and G.O. No. 2858, 2859 M. of 31.12.97 para 58 and G.O.

No. 1973, 1974 m. of 25.11.95 para 59.

6. In reviewing the individual reports of this Municipality the Government was pleased to remark that the administration is continued to be efficient vide G.O. nos. 1325 m of 15.8.95, 1187 m of 13.7.96 and 1770 m. of 13.8.97.

7. As for the efficiency of the Establishment, I beg to inform that the audit reports speak satisfactorily vide audit reports of 1894-95, 1895-96, 1896-97. In this connection, I beg to bring to the notice of Government, that the Manager of this office who having

having resigned his government appointment has been working in this Municipality for the last 10 years satisfactorily.

8. I further beg to add that in G.O. No. 2021 m. Dins dated 16.9.97 Government accepted the Gunjur Municipal Council from appointing a Secretary though it is a long standing Municipality deriving an income of about Rs 42,000 annually.

9. Under the above circumstances, I beg to request that this Municipality may be exempted from appointing a Secretary

as the Council is unanimous-
ly of opinion that there
is no need of a Secretary
for the present as it is
managed both economically
and efficiently.

I have the honor to be
