READ—the following paper :—

From W. O. HORNE, Esq., Collector, Vizagapatam, to the Secretary to Government, Local and Municipal Department, dated 17th September 1898, No. 764.

I have the honour to request instructions as to whether the words "arriving from any place declared to be infected with plague," used in Regulation XVII (i) of the revised Mufassal Regulations under the Epidemic Diseases Act, are to be taken to apply to persons whose tickets were taken in a healthy station—say Madras—and who have merely passed through an infected station—say Guntakal—without detention.

2. In this district they have hitherto been taken to so apply, and I have thought it well to err, if at all, on the side of caution, but I have doubts as to the propriety of this interpretation.

ORDER—No. 1185 P., dated 27th September 1898.
