SIR,

With reference to Government Order No. 942 m. miscellaneous, dated the 19th May 1898 I have the honor to say, with reference to paragraph 2 (2) of the letter from the Chairman of the Cocanada Municipality, that there is no objection to the unused forms ^{of one} ward being utilized for the next ward, if found convenient, provided a note is made on the cover as to the numbers of the forms relating to each. It is presumed however there is a separate bill collector for every ward, and this would necessitate one book being handled by two different persons. It would perhaps be better therefore, in cases where the number of unused forms is small to cancel them and start the next ward with a fresh book, but the matter may be left to the discretion of the chairman.

2. In regard to the point raised in paragraph 2 (7), I think it would be inadvisable to leave the verification of the outstanding bills to a

Subordinate

Subordinate, though of course if there is a
Secretary, the duty may be entrusted to
him. In this connection attention is invited
to Government Order No. 610 m (L & M) dated
28th March 1892.

I have the honor to be,
Sir,

Your most obedient servant

W. H. D.
Accountant General.
