2095. M, of 1898.

SUBJECT.

Supply of seeds and bulbs from
foreign countries for municipal
gardens.

FOR ORDERS.

V.

Having been desired by
Her Majesty's Secretary of State for India
that information regarding the supply
of seeds and bulbs obtained for India
from foreign countries might be
supplied direct to the Government of
New South Wales, the Government of
India, in its Circular No. 1-106-2, dated
4th January 1898, requested this Govern-
ment to furnish the Government
of New South Wales with a list of
public gardens in this Province
managed by Government or mu-
nicipalities or other public bodies
or societies with the name of the
Superintendent in charge, and a
rough estimate of the sum spent
annually in the purchase of
seeds, plants and bulbs from

foreign countries and to state also the source from which these were obtained. On this, the Local and Municipal Department was requested in G.O. No. 200, Revenue, dated 14th January 1898, to obtain the necessary information regarding the gardens maintained by municipalities. The municipal councils of the marginally noted towns, which alone had provided in their budgets for the maintenance of public parks or gardens, and the municipal Commissioners of Madras were then requested in the Government Order read above, to report on the subject. The letters read above are the replies received.

2. The municipal councils of Bellary, Salem and Masulipatam state that they have no public gardens of their own, while the other councils, viz. those of Rajahmundry, Walajapet, Negapatam, Tanjore, Trichinopoly, Tuticorin and Vizianagaram and the municipal Commissioners of Madras, who maintain public gardens, do not indent on foreign countries for the seeds or bulbs required by them, which they obtain

from Bangalore, Poona or
It will thus be seen that while several of the municipalities in this Presidency do not maintain public gardens at all, the few that have such gardens of their own, do not get their supply of plants and seeds from foreign countries. It is therefore submitted that the papers may be transferred to the Revenue Department with the remark that no seeds or bulbs are obtained from foreign countries for the use of municipal gardens in this Presidency.

3. The accompanying draft order is submitted for approval.
