NOTES.

REFERENCE TO ORDERS OF GOVERNMENT,
G.O., No. 1137 W., dated 29th April 1889 and
G.O., No. 1672 W., dated 26th June 1889.

1. At the close of the quarters ending June, September, December and March, the examiner will furnish the government, for transmission to the local and municipal department, with a consolidated return, in this form, of the local fund estimates scrutinized in the department showing the contributions recoverable under (G.O., dated 29th April 1889, No. 1137 W., Public Works). When the charges are finally approved by government in the local and municipal department the examiner will adjust the amount in his auxiliary books by debit to local and credit to provincial funds under "establishment." The return for each quarter should be submitted so as to reach the government not later than the 20th of the month following the last month of the quarter to which the return relates (G.O., dated 26th June 1889, No. 1672 W., Public Works).

2. No charge for scrutiny of estimates will be made for local fund works executed by the department when the usual percentage charges for establishment and tools and plant are levied (G.O., dated 29th April 1889, No. 1137 W., Public Works).

for

for formal approval, with this
office no 548 dated 3rd June 1897,
to which he replied that the
plan might be modified and
the estimate revised for
adopting the suggestions
made by the Assistant Inspectors
of Schools Ceded district division,
and that the sanction of the
Director of Public Instruction
might be sought for if any
grant from Provincial Funds
was desired on behalf of the
said school. A new plan
and a revised estimate
for Rs 600 were accordingly
prepared and forwarded
to the Director of Public
Instruction through the
Inspector of Schools with a
request that sanction for
a building grant from
Provincial funds may be
accorded on behalf of the
school. The Director, referred
the plan and the estimate
to the Superintending Engineer
IIIrd circle, Bellary, for his
approval

approval who, in reply prepared
an alternative estimate for
Rs 820 suggesting certain
changes in the construction
of the building and recommended
its adoption (Please vide
Proceedings of the Director of
Public Instruction no 13023
dated 24th November 1897, a
copy of which is herewith
submitted.). Hence the
inclusion of the above estimate
by the Public Works
Department in their quarterly
statement for the quarter
ending 31st March 1898. —
