FOR ORDERS.

A. In the Proceedings read above, the Government disapproved the nomination of Saiyid Ala-ud-din Sahib, Sub Registrar of Tiruturaipundi, in the Tanjore District, as Secretary to the municipal council of Negapatam, on the ground that the council's nominee was not a suitable person for the appointment of Secretary of a large municipality like Negapatam, and as the salary proposed was adequate to secure the services of a much more competent man, the municipal council was requested to select such a candidate. The Government also adhered to its opinion, expressed

B. in G.O. No 130-M, dated 18th January 1898, that more of the Chairman's

powers might be delegated to the Secretary and that he should have full power to appoint, fine, suspend and dismiss all servants of the municipality on salaries not exceeding Rs 15 per mensem and the council was, accordingly requested to reconsider the matter.

2. With the first of the letters read above, the Chairman forwards a resolution of the municipal council, praying for a reconsideration of the orders of Government regarding the council's nomination of Ala-ud-din Sahib on the grounds (1) that Saiyid Ala-ud-din Sahib was unanimously elected by the council out of upwards of 100 applicants (2) that he is a Sub-Registrar of 12 years' standing with monthly emoluments amounting to Rs 85 and (3) that while Sub-Registrar in the Madura District he has filled with credit several offices connected with municipalities and local boards, his successful chairmanship of the Periyakulam municipality during the years 1893-94 and 1894-95, being particularly noteworthy

LOCAL & MUNICIPAL DEPARTMENT

Dear Sir I have this day addressed you officially a communication, requesting that Government will be pleased to sanction the nomination of Syed Alaudin Sahib (Sal. Depy) as Negapatam Municipal Secy on probation for a year. As the matter is one for reconsideration and as the correspondence has already passed thro' the Collector I have ventured to submit my communication direct to Government.

I trust that my earnest representation for a reconsideration of the orders of Government will meet with your favorable consideration and with that of Government.

The nominee is the best man available, and as Negapatam is the centre of a large Mahomedan population, his appointment will prove very advantageous. He is a young Mahomedan of active habits and has had large official experience. ~~[illegible]~~ He is an officer of 12 years' standing in the Registration Dept and was engaged by the Comr. in 1885.

Local and Municipal Department,

Through the Head Assistant Collector and the Collector of Tanjore.

SIR,

Returned for re-submission through the Collr. Vide Govt. Endt. No. 554, d 10-5-98-

Adverting to my Communication to Government No. 39 dated the 23rd ultimo requesting that its order in the matter of the appointment of M.R.Ry Syed Alauddien Sahib (Sub Registrar of Tritrapoondy) may be reconsidered and his appointment sanctioned for a period of one year on probation, I beg to report that the Council considered my Communication and the subject at its meeting held on the 6th instant and passed the accompanying resolution.

2. As desired by the Council I beg to address Government in view to its order in G.O No. 712 M. Mis dated 4th April

1898

1898 being reconsidered and the appointment of the Council's nominee sanctioned on probation as desired in the resolution.

3. The following are the chief, among other reasons, for which the Council would urge the appointment of its nominee.—

(i) Out of upwards of 100 applications received for the post the Council elected the officer named above by a unanimous vote. 22 councillors out of 23 on the roll attended the special meeting and all the members voted for him.

(ii) He is an officer in the Registration Department of 12 year's standing and he is young (36 years old) and active.

(iii) He has filled with credit, in the Madura district, while

while

while Sub Registrar, several offices connected with the municipalities and Local Boards as specified under:—

His successful chairmanship in Periakolam (Madura) during the official years 1893-94 and 1894-95 is particularly noteworthy.

(a) Union chairman (Uthmapalayam (Madura) from September 1891 to July 1893.

(b) Municipal chairman Periakolam (Madura) from October 1893 to May 1895.

(c) Union chairman Tirumangalam from July 1895 to August 1896.

(d) Member Taluq Board Tirumangalam from July 1895 to August 1896.

(e) Member District Board Madura from September 1895 to August 1896.

(f) Chairman dispensary Committee Tirumangalam from October 1895 to August 1896.

(g) Manager Local Fund School Tirumangalam from October 1895 to August 1896.

(IV) As Sub Registrar his salary is Rs 35 plus Rs 50 Commission per mensem: Total Rs 85 per mensem. Salary includes Commission for purposes of incometax and other Local assessments and the aggregate income of salary and commission is pensionable.

4. Negapatam is a large Mohomedan centre and about 1/3 of the population in the Municipality belongs to the Mohomedan community. A Mohomedan Secretary will prove a valuable officer in the Municipality. In the matter of backyard conservancy of Mohomedan houses in regard to which there is considerable room for improvement, his influence and persuasion will go a great way in effecting improvements. Ticklish questions now and then arise regarding Mohomedan burial grounds, and in such and similar matters a Mohomedan officer will be in a position to work with better advantage.

5. The Council is in a position to assure Government of his zeal and earnestness and of his fitness for the post of a Municipal Secretary.

6. In regard to the question of the Secretary's powers the Council has resolved to invest him with the power of appointing, fining, suspending and dismissing all servants of the Municipal Council in the office, Revenue, Conservancy, Lighting and Vaccination departments

drawing salaries not exceeding Rs 15 per mensem; whose supervision has already been resolved to be placed under him. It has also resolved that all powers regarding assessments of house and land tax, tax on arts, and tax on vehicles and animals be delegated to him.

7. Even before the amended Act was passed this council in its administration report for 1895-96, communicated to Government the pleasure with which it welcomed the new provision proposed in the matter of appointment of secretaries. As soon as the new provision was passed into law (ie) early in May last, it moved in the matter and submitted to Government a nomination and the matter is still pending. The council need not therefore submit for the consideration of Government that it will yeild to none in making the experiment of a secretary a thorough success by supporting him in every

possible

possible way and helping him in the discharge of his duties.

8. In these circumstances the council has ventured to approach Government with this application that the question of approving the nomination may be reconsidered and the appointment of Mukky Syed Allauddien Sahib, Sub Registrar of Tritrapoondy, as Secretary to this Council sanctioned on probation for a period of one year. As the matter has been pending for a year and as it is desirable that the officer nominated should join his duties as early as practicable I beg to request that Government will be pleased to pass early orders on the subject.

I have the honor to be

Your most obedient Servant

Sir,

I beg to acknowledge the receipt of G.O. No 712 M. Mis, dated 4th April 1898 intimating that Government does not consider as suitable the nomination of M.R.Ry Syd Allauddin sahib Sub Registrar of Trutturaipoondy as Secretary to this Council, I venture to solicit that Government will be pleased to reconsider its order in the matter for the following among other reasons;—

2. (1) Out of upwards of 100 applications received for the post, the Council elected the officer named

(ii) He is an officer in the Registration Department of 12 years standing and he is young (36 years old) and active.

(b)

(b) Municipal chairman Periakolam (Madura) from October '93 to May '95.

(d) Member Taluq Board Tirumangalam from July 1895 to August 1896.

(e) Member District Board Madura from September 1895 to August 1896.

(f) Chairman Dispensary Committee Tirumangalam from October '95 to August 1896.

(g) Manager Local Fund School Tirumangalam from October '95 to August 1896.

(iv) As Sub Registrar his salary is Rs 35 plus Rs 50

Commission per mensem. Total Rs 85 per mensem. Salary includes Commission for purposes of income-tax and other Local assessments, and the aggregate income of salary and commission is pensionable.

3. Negapatam is a large Mohomedan centre and about 1/3 of the population in the Municipality belongs to the Mohomedan Community. A Mohomedan Secretary will prove a very valuable officer in the Municipality. In the matter of backyard conservancy of Mohomedan houses, in regard to which there is considerable room for improvement, his influence and persuasion will go a great way in effecting improvements. Ticklish questions now & then arise regarding Mohomedan burial grounds, and in such & similar matters a Mohomedan officer will be in a position to work with better advantage.

4. From my personal knowledge of the nominee I am in a position to assure Government of his zeal and earnestness, and of his fitness for the post of a Municipal Secretary.

5. In regard to the question of Secretary's powers, the Council has already resolved to delegate to him under section 42 of the Municipal Act powers in regard to the servants in the office and in the Revenue Department, besides placing under his supervision the departments of conservancy, Lighting, & Vaccination. Its resolution in detail specifying the several sections of the Act is already before Government. Even before the amended Act was passed this Council in its administration report for 95/96 communicated to Government the pleasure with which it welcomed the new provision proposed in the matter of appointment of Secretaries. As soon as the new provision was passed into law,

(ie) early in May last, it moved in the matter & submitted to Government a nomination & the matter is still pending. I need not therefore submit for the consideration of Government that this council will yield to none in making the experiment of a secretary a thorough success by supporting him in every possible way & helping him in the discharge of his duties. As already recorded in its resolution dated 10th February 1898, the council would consider the further extension of his powers as soon as he joins his duties.

6. In these circumstances I have ventured to approach Government with this application that the question of approving the nomination may be reconsidered and the appointment of M.R.Ry. Syed Allauddin Sahib, Sub Registrar of Tritwraipoondy, as Secretary to the Council sanctioned on probation for a period of one year.

As the matter has been pending for a year and as it is desirable that the officer nominated should join his duties as early as practicable to enable him to co-operate with the Chairman in carrying out the revision of the several assessments for the new financial year, I have ventured to submit this communication as an urgent one direct to Government.
