Mis. Order.

For the reasons stated in para. 2. of the Deputy Collector's endorsement, the entertainment of a toll superintendent on a salary of Rs. 30. per mensem cannot be sanctioned.

A.M.

V.R. 23/6/98. There can be no question I think that the idea of appointing a well paid man to look after the tolls is sound and I think that if the tollings are Rs. 100 a day the pay proposed Rs. 30 is not too high. Then do I see why the appointment of toll gate farmer is objectionable.

To,

The Secretary to Government

Sir, The Divisional Officer
Ellore.

In reference to para 2 of G.O. no. 866 M. his dated 5th May 1898, I have the honor to inform you that there has been no Amami for about the last 20 years in this Municipality and that consequently we have had no guide to follow. I beg to say that the Toll gate Keepers now appointed are ordinary men drawing only Rs 5 a month for working both day and night and that there are several troublesome bawdy men in the surrounding villages who always try to avoid payment of Tolls if possible. The Tolls Superintendent has to inspect daily 9 Toll gates which are at the extremities of the town far away from each other, 5 Cart Stands, and 3 firewood markets.

and that consequently a trustworthy man of position and means is absolutely necessary for the proper supervision of the gates. I may also mention here that sometimes daily collections run up to Rs 100 and that if no responsible officer be secured for the collection of money there can be no guarantee for its safe-custody. The present Superintendent is a respectable man. Keeps a bullock bandy for the purpose of constantly going about to the different toll gates &c and by his strict supervision was able to detect some cases in which tolls were evaded.

2. It may not be out of place to mention here that this Superintendent is specially qualified for the work as he farmed tolls last year and had experience of all difficulties in the collection of tolls.

3. The Council had in view of all these difficulties thought fit to provide Rs 30 as a decret pay to secure a trustworthy person.

In these circumstances I request that you will be pleased to move Government and obtain its sanction for the same.

I have the honor to be
Sir
Your most obedient servant
