"I see in the Madras mail of
" 28 that they have had two cases
" of plague at Bangalore imported
" from French Rocks i.e. from Mysore
" etc. This being so, I think we
" had better at least notify the
" Mysore etc as an infected area, if
" not the whole of Mysore. At all
" events write to Robertson to know
" if they have had cases in any other
" etc than Bangalore."
