ORDER. N^o 1219 M. M. of 8-7-98.

The payment to the Chairman of a carriage allowance of Rs 60 per mensem, until the date of pointment and the entertainment of four bill collectors on Rs 7^{each} and sixty private scavengers on Rs 4-8 shown in the proposition statement are sanctioned.

2. The allotment of Rs 2,38 required for meeting the cost of the additional private scavenging establishment, is sanctioned from general balance into which the anticipated receipts from private scavenging fees will merge.

It seems to me a little doubtful whether this carriage allowance to Dr. O'Hara is admissible, but I suppose it falls within the spirit of the letter of Art-88(c) C.S.R. - Pass it & let the A.G. sign if he pleases

Surgeon Lieut Col William O'Hara

CHAIRMAN,

Municipal Council.

LOCAL & MUNICIPAL DEPT.

CURRENT *150/11*

To,

The Chief Secretary to Government.

Local and Municipal Department,

FORT ST. GEORGE.

Through the Dy Collector of Trichinopoly.

SIR,

With reference to Government order No 622 M. dated 22nd March 98, I have the honor to submit the following report for the early orders of the Government.

2. Para 2. The Chairman's carriage allowance.

The council would respectfully desire to bring to the notice of Government that the present chairman has had to conduct, and continues to conduct all the out-door inspection duties of his office. The carriage allowance of Rs 60, as against Rs 75, drawn by his predecessors was, by Government, disallowed on the grounds that most of these inspection duties would devolve on the Secretary. But as this Officer has not assumed Charge and entered.

entered on his duties, the Council requests that Government will be pleased to sanction the payment of Rs 60 per mensem to the Chairman until such time as he is relieved. It may be noticed that the allotment required for the purpose has not been struck out of the Budget.

3. Para 3. Extension of the Scavenging Service.

The Council proposes to extend the private Scavenging Service to the First, Third, Seventh and eighth wards from the 1st July next (the second quarter). For this purpose, four bill-collectors on Rs 7 each and sixty scavengers on Rs 4½ each per mensem are provided and will be entertained on and after the 1st July. The receipts from the Scavenging fees in these four wards are expected to amount to Rs 2,680.

4. Para 4 (2). No drains will be constructed, until the plans and estimates have been approved by the Sanitary Board. The three miles of roads, which remain unmetalled, will be gravelled in the year, if funds are available.

Para 4 (4) Sanitary Inspectors.

The recommendation of the Sanitary

Commissioner to employ four certificated Sanitary Inspectors ^{on} an increased scale of pay (instead of the eight now employed) will be considered and adopted in the next budget.

I have the honor to be
