FROM E. L. Chalke Esquire Esq. D. L. S.
CHAIRMAN, MUNICIPAL COUNCIL,
ANANTAPUR.
TO The Secretary to Government
Local and Municipal Department

through The Revenue Divisional Officer and the Collector
Anantapur

Sir,

In January 1898 the Sanitary Inspector of this Municipality was sent for training at the cost of the Municipality as required by the rules on the subject and an additional allotment of Rs 30/- per mensem was made in the Revised estimate under Conservancy Establishment for 1897-98 for an acting incumbent for the place.

The Surgeon-General and the Sanitary Commissioners were requested to detail a Hospital Assistant or a trained Sanitary Inspector to act, but one could not be had, nor was a competent person available locally and consequently as the best and the cheapest arrangement the Municipal Manager was deputed for the work in addition to his own duties, granting him a conveyance allowance of Rs 10/- per mensem.

In this Municipality the Sanitary Inspector has also

also the supervision of Public works and is paid
separately Rs 5/- per mensem therefor. -

The duties of the Sanitary Inspector having devolved
on the Manager as aforesaid he was placed
by the Chairman in charge of the Public works
also and was paid the allowance intended -
to 5 for it. -

The Collector was of opinion that the allowance
was inadmissible and advised that the matter
be referred to the Inspector of Local Fund Accounts
and the latter officer upon a reference made to
him accordingly informs me that the Sanction
of Government should be obtained in the matter.

The Manager has discharged the additional
duties satisfactorily and without detriment
to his legitimate work. -

I have the honor to request that in these
circumstances you will be good enough to
obtain the Sanction of Government for the
payment of the allowance in question made
to the Manager from 10th January 1898 to 30th
April 1898. -

Extract from the Proceedings of the
Municipal Council, Srirangapatna
passed at a Meeting on Monday the 16th May 1898

III Read Letter N^o 829 dated 4-5-98 from
the collector of Srirangapatna observing that
the allowance of Rs 10/- paid to the Manager
during the absence of the Sanitary Inspector
for supervising the Conservancy work is
inadmissible and requesting to refer
the matter to the Inspector of Local Fund
Accounts for opinion.

Read also the Council's resolution
N^o 2 dated 16th Feb'y 1898. Sanctioning the
said allowance.

Resolution. — The allowance given
to the Manager was intended to be a convey-
-ance allowance and not addition to his
salary. The Council has provided for a
Monthly expenditure of Rs 30/- for a
Substitute but as no one could be had, the
arrangement made was in the opinion of
the Council the best and the cheapest. The
Council considers that the grant of such an
allowance is not opposed to rules.

Received from the Secretary of the
Municipal Council, a copy of the
report of a meeting on Monday the 10th

The Board of the 22nd March 1889
the collection of documents relating to the
the volume of the 1st. paid to the Bureau
during the course of the January 1889
for preparing the Commission report
inaccessible and requesting to refer
the matter to the Director of the Bureau
to be for the office.
I send also the Council's resolution
of 22nd March 1889. I am sending the
said resolution.

The 22nd March. - The volume
to the Bureau was intended to be a copy
and the volume was not added to the
Bureau. The Council has provided for a
monthly publication of the 20th for a
document. But as we are not to have, the
arrangement made was in the opinion of
the Bureau the best and the cheapest. The
Council considers that the grant of such an
allowance is not of great value.
