3— Read J. O. No 907 M. his dated 12 May 1898, sanctioning the increase of the tax on buildings from $7\frac{1}{2}$ to $8\frac{1}{2}$ per cent of the annual rental and the levy of tax on lands also at this rate and is reducing the pay of the manager to Rs 35 allowing Rs 10 personal allowance to the present incumbent.

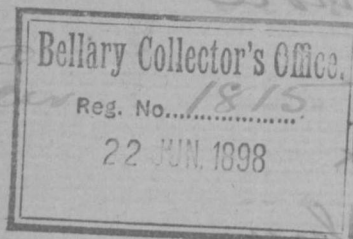

The Council by a majority
respectfully

respectfully requests the Government
to reconsider the order reducing
the pay of the office manager to Rs 35
as he has been in the Service for a
long time and as the saving effected
is very small and as the balance
has been increased by realising
Rs 1800 - in tolls and markets more
than the estimated amount. —

-ation

3 - The Government already observed in paras of G. O. no 62 dated 22nd March 1898 that the small balance with which the budget closed "should be increased by effecting economies wherever possible in the course of the year."

4 - It is true the Council has realised Rs 1800 in tolls & market more than the budget estimate, but none can divine now in how many items the income may be less than the budget estimate.

5 - I think that the payment of Rs 10 as a personal allowance to the present incumbent proposed in G. O. no 907 dated 12th May is in consideration of his long

long service -

I have the honor to be

Sir
