Approving the proposal of the local boards to constitute the Tirukkazhikkunram union and to levy house-tax therein at the maximum rates from 1st April 1898 and ordering the publication of the necessary notification in the Fort St. George and Chingleput District Gazettes.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From J. H. ROBERTSON, Esq., President of the Chingleput Taluk Board, to the President, District Board, Saidapet, dated 1st October 1897, Ref. on No. 537-L.F.

I have the honour to recommend the constitution of Tirukkazhikkunram and its adjoining villages into a major union and the levy of house-tax therein. The villages in question, their population, the number of houses, with the expected realization of house-tax in each of them, are given below :—

Taluk.	Union.	Villages.	Population.	Number of houses.	Amount of tax.
Chingleput	Tirukkazhikkunram ..	1. Tirukkazhikkunram.	3,566	553	Rs. 450
		2. Rudrakodi	321	48	20
		3. Mangalam	594	95	30
		4. Muthumallankuppam.	578	71	20

The distance of village No. 2 from No. 1 is half a mile and both of them have only one village headman. The other two are inam villages each at a distance of three-quarter mile from No. 1 and possessing a separate headman.

2. The sanitation of the above villages is not satisfactory. At present there is a small establishment of two sweepers and a cart maintained by this taluk board. Neither is this establishment adequate to the locality nor is its work properly supervised. It should also be stated that this is a place of pilgrimage at a distance of not more than 9 miles from a municipal town possessing a railway station. Large numbers of people frequently visit the place on ordinary days, as well as on occasions of festivals. Responsible officers of Government, such as the Sanitary Commissioner, District Medical and Sanitary Officer and the Tahsildar of the taluk have often remarked that the arrangements made at these festivals are inadequate. Already a sum of Rs. 300 is annually spent in providing for the sanitation of this place. As the taluk board in its present financial state can with difficulty spare even this small sum, and as it is only reasonable that the inhabitants of the villages should bear the cost of its being improved, it is proposed to levy house-tax at the maximum rates prescribed by the Act. The estimate of Rs. 520 above referred to has been arrived at after a very moderate calculation and is such as would not entail any unnecessary hardships on the house-owners.

3. As there are three village headmen in the villages proposed to be constituted into a union, the maximum number of members for the panchayat may be fixed at ten for the present.

4. The only objection that has been raised to this proposal is the petition forwarded with your endorsement on No. 80-L.F.D., dated 7th August 1897. The grounds on which the signatories of the petition object are briefly as follows :—

- (1) That the villagers are very poor.
- (2) That Mr. Power, a late President of the District Board, rejected a similar proposal.
- (3) That their village is ordinarily very clean.

As regards (1), it is to be observed that the inhabitants of this village are much richer than either of those of Cheyúr or Tiruppórá, which are at present unions and pay house-tax. Further these unions are not so near to a railway station as the village under reference.

As regards (2), it is not possible to ascertain from the records of this office how far the allegations therein contained are true. Even if true, it should be observed that it is more than 7 years since Mr. Power left the district and the villages must have considerably improved since that time.

As regards (3), it has already been stated that the opinion of the officers mentioned in paragraph 2 is that the sanitation of these villages is not what it ought to be.

5. A rough sketch showing the respective position of the villages to be comprised in the union is herein enclosed.

Ref. on No. 727-L.

Forwarded to the Secretary to Government, Local and Municipal Department.

2. Copies of the resolutions of the taluk and district boards, a sketch drawn to scale, the petition referred to and the usual draft notifications are enclosed.

3. From the records in this office, it is found that this proposal came before the district board in 1890 when Mr. Power was the President, but was dropped as the taluk board had not shown sufficient grounds for the proposal (*vide* copy of resolution No. XIV, dated 24th January 1890, herewith submitted).

Tirukalkundrum.
1st August 97.

To.
The President of
The Local fund Board
Chingleput Dt.

With due respect and profound
submission we the residents of this place beg to
bring the following few lines to your honours
consideration.

This Tirukalkundrum is only
a small village. It yields only a small amount
of land revenue. The people living in here are
poor and feel themselves much difficulty
even to pay their land tax regularly. Their
are so very small that even a family, even
of some four or five members cannot live in
No rent can be had here. Now, Power the Late
Collector of this district took pity on these poor
unfortunate people and cancelled the
proposal of including this place in the
union here, made by the Taluk Board. We
now hear that union is going to be instituted
here. The people are now dying under poverty
on account of the prevailing famine. This
village is not unlike like other villages.
So we request most humbly to take pity
and cancel the present proposal of
including a union here.

 Chingleput Taluk Board, Ref. no 1149d,
 Dated 15th December 1889, recommending the

Chingleput Taluk Board's office,

1st October 1897.

From

J. W. Robertson, Esquire,

President of the Chingleput Taluk Board,
Chingleput.

To The President, District Board,
Sai Apet.

Sir,

I have the honor to recommend the constitution of Trukkazhikkunram and its adjoining villages into a major union and the levy of house tax therein. The villages in question, their population, the number of houses with the expected realization of house tax in each of them are given below.

Taluk	Union	Villages	Population	No. of houses	Amount of tax
Chingleput	Trukkazhi-kunram	1. Trukkazhi Kunram	3566	553	450
		2. Rudrakodi	321	48	20
		3. Mangalam	594	95	30
		4. Muthunallan Kunram	578	71	20

The distance of village no 2 from no 1 is half a mile and both of them have only one village headman. The other two are main villages each at a distance of $\frac{3}{4}$ mile

from no 1 and possessing a separate headman.

2. The sanitation of the above villages is not satisfactory. At present there is a small establishment of 2 sweepers and a cart maintained by this Taluk Board. Neither is this establishment adequate to the locality nor is its work properly supervised. It should also be stated that this is a place of pilgrimage at a distance of not more than 9 miles from a municipal town possessing a railway station. Large numbers of people frequently visit the place on ordinary days as well as on occasions of festivals. Responsible officers of Government such as the Sanitary Commissioner, District Medical and Sanitary Officer and the Tahsildar of the Taluk have often remarked that the arrangements made at these festivals are inadequate. Already a sum of Rs 300 is annually spent in providing for the sanitation of this place. As the Taluk Board in its present financial state can with difficulty spare even this small sum and as it is only reasonable that the inhabitants of the villages should bear the cost of its being improved it is proposed to levy house tax at the maximum rate prescribed by the

act. The estimate of Rs 520 above referred to has been arrived at after a very moderate calculation and is such as would not entail any unnecessary hardships on the house owners.

3. As there are three village headmen in the villages proposed to be constituted into a union the maximum number of members for the panchayat may be fixed at 10 for the present.

4. The only objection that has been raised to this proposal is the petition forwarded with your endorsement on no $\frac{80}{200}$ dated 7th August 1897. The grounds on which the signatories of the petition object are briefly as follows:—

- (1) That the villagers are very poor.
- (2) That Mr. Power, a late President of the District Board rejected a similar proposal.
- (3) That their village is ordinarily very clean.

As regards 1 it is to be observed that the inhabitants of this village are much richer than either of those of Cheyir or Triyapooram which are at present unions and pay house tax. Further these unions are not so near to a Railway station as the village under reference.

As regards 2 it is not possible to ascertain from the records of this office how far the allegations therein contained are true.

Even if true it should be observed that it

is more than 7 years since Mr. Pover left the District and the villages must have considerably improved since that time. As regards 3. it has already been stated that the opinion of the officers mentioned in para 2 is that the sanitation of these villages is not what it ought to be.

5. A rough sketch showing the respective position of the villages to be comprised in the union is herein enclosed.
