It would be interesting & perhaps instructive to know how the Resident & his people are dealing with the plague. I suggest for the Hon. Sir H. Bliss's consideration that if Mr. Hammick could manage it he might run up to Bangalore & ask Col. Robertson's permission to see what is being done. If the plague spreads he won't be able to do this later on. A.S.A. 25.9.98.

If Sir H. Bliss sees no objection, I think Mr. Hammick should go to Bangalore. I understood Mr. H. to say, when I saw him, on the 19th Inst, that he then thought of going to Bangalore. A.S.H. 25.9.98
