The Secretary to Government
Local and Municipal Department
Fort Saint George, Madras.
(Through the Director of Public Instruction
Madras).

I have the honor to request that the Government will be pleased to reconsider the following particulars in connection with GO no 9779^{in file} dated 25th Jan'y 98. In obedience to GO no 407^{in file} AM Inis dated 19th Feb'y 98. Fourth form was opened in the Local High School on the 22nd February 98.

The inhabitants of this town have on the strength of this sanction made every arrangement to bring their lads here from localities in which they were studying. Now the Force has acquired some popularity and given strength and encouragement from all quarters on the understanding that the Government would like to encourage boys to study for the University course, the people expressed their opinion to get their sons educated for the University course.

West. on receiving G.O. No 979 M. P. S. dated 26th May 98
They are of opinion as expressed in their Mahazarar Shast
annexed, that it is better for them, under all
circumstances to have a Fourth Form with commercial
subjects than no Fourth Form at all.

They do not at all like that the present arrangement, they have already made to educate their sons would be least disturbed by any circumstances.

Their proceedings show that they never anticipated the Government would take this view of the question.

and without the sanction given under G.O. No. 407 dated 19th February 98.

In this connection I beg to say that one has applied for the Commercial Instructor's post in the school. As for his qualifications he passed the intermediate examination in Book Keeping, Banking and Commercial Correspondence in 2nd class held in the month of April '97.

I further beg to say that this applicant will be given Rs 25 for messum and that the J. Pandit will be given Rs 12 for messum and that I trust that this would be arrangement will meet with your kind approval.

In conclusion I have request the Government will be pleased to cancel the order No 979 M. No. dated 25th May 98 after reconsidering the question and wire the result so as to enable us to continue the Fourth Form after the summer recess (i.e. 23rd instant) introducing commercial Subjects etc.

I have the honor to be
Sir
Your most obedient servant.
