INDIA COURT FEE 2 Rs TWO RUPEES
24/7/98

His Excellency
The Governor of
Madras.

Most honoured Sir,

We the undersigned ryots of Nandyal Nandyal Taluq, Kurnool district beg our honour to ~~the~~ bring the following few lines to your honors kind consideration hoping to meet with success.

B

I. We hear that there is a proposal going on to make our town Nandyal a municipal one. To carry out that proposal the following are our grievances to be considered.

II. Our town contains nearly 1000 acres of valuable wet land, 700 acres of Sirvajasti land and 5000 acres of dry land. This is not a big town. Almost all the people are cultivators. Bullocks and country carts are essential things for cultivation. If municipal taxes are imposed on bullocks and carts it will be very difficult for us to get on with our cultivation and we will be deprived of our maintenance. Every cooli of this place holds at least 1/2 an acre of wet land. Such coolies will be thoroughly ruined. Some of them are not able even to pay their Union taxes. Every year a great balance is

(G.) 1 District loc.

found in the Union accounts.

III

During the late famine, relief works were op
here and there in this Taluq. But no such work
were opened neither in this town nor in the neigh
villages. Almost all the coolies of the neighbourin
villages as well as the coolies of this place came
coolies in the paddy fields of this place and to s
relief from the horrors of famine. They were gettin
a cooli of 4 annas a day here but the cooli in the rel
works was only 1½ annas a day. Therefore in su
times as above mentioned it is safer, even to the Gover
ment, to have paddy fields. All the wet lands a
very fertile and are useful only to grow paddy
and not any other crop.

B

IV

All our paddy fields are situated close
to the town. If our town is made a municipa
one we will have to lose our fields by whic
we incur a great loss.

V

Without considering all these grievances if your
honour is obstinately bent on making our town a
municipal one we will have to run away from
hence and seek refuge in some other safer
place. Therefore we request your honour
not to make our town a municipal one
and to protect us.

VI

For which act of kindness and charity
we will, as in duty bound, ever pray
for your long life and prosperity.

We beg to remain,
Most honoured Sir,
Your most ~~honoura~~ obedient

TO

THE SECRETARY TO ~~THE COMMISSIONER OF~~ Government
Local and Municipal Department,
Madras.

SIR,

Adverting to Government Order No. 1429, dated 24th July 1897, I have the honor to state that, having personally inspected the Nandyal Town and its environs, I agree with the District Board in thinking that the Nandyal Town should be converted into a Municipality in consideration of its importance in point of position, area, population and trade and to strongly recommend that the Government may be early pleased to declare it a Municipal Town. The limits of the proposed Municipality are identical with those of the Nandyal Union which comprises (1) Nandyal and its hamlets of Tekai, Mulasagram, & Kottapalli and (2) Nunepalli,

2. A detailed estimate of the probable receipts and charges of the Municipality prepared by the Head Assistant Collector and President, Taluk Board, Nandyal, is herewith submitted: it will be seen therefrom that the charges exceed the receipts by Rs. 2,566. Looking at the estimate, the financial position seems to be discouraging, but I submit that the receipts as well as the charges estimated by the Head Assistant Collector require some modification with reference to the following remarks:-

Receipts 13739
Charges 16305
— 2566

Grant I. Public Works

1. c- Drainage.

The Head Assistant Collector has provided a sum of Rs. 2,000 under this head. I would reduce it to 1,000 considering the smallness of revenue.

2. Repairs.

Against communications Rs. 1,500 are put down. The probable receipts under

under Tolls after deducting the Local Fund share are estimated at Rs. 2,485. I would reduce the provision to Rs. 1,000 which is over 40 per cent of the Toll receip

Grant III Sanitation and Medical Services

1 Hospitals and dispensaries.

A large sum of Rs. 4,700 is provided by the Head assistant Collector under this hea I think the District Board may in fairne be asked to contribute a sum of Rs. 200 which is just the contribution now bein made by that Body towards the maintenance of the Kurnool Municipal Hospital. I may observe that, in Tiruvannamal the District Board of South Arcot contril two-thirds of the charges for maintaini the Municipal Hospital, the balance be borne by the Municipality.

My proposals will thus reduce the charg by Rs. 1,500 and increase the receipts by Rs. 2,000. There will then be a surpl balance of Rs 15,739 − 14,805 or 93

3. A statement showing the expendit

actually incurred from Local Funds in 1896-97 on account of the Nandyal Union is also herewith submitted.

I have the honor to be,
