Memorandum of the Chairman

In the G.O. sanctioning the hot weather charges, only Rs 10 per mensem is allowed in the way of salary to the water brahmin. But no man is procurable for this amount, though I have done my best to do so; in my attempt to secure the services of a brahmin for this remuneration, I have delayed the opening of the water pondal for nearly a month. My attempts proving vain, I have employed the same brahmin that was engaged last year at the same rate as was done last year, i.e. Rs 12 per mensem, from the 16th Ultimo, subject to the approval of the Council and the Government. In this town where there is a demand for brahmins, it is not at all possible to secure the services of one for a smaller amount than Rs 12 per mensem. and I therefore request the Council's approval for what I have done.

Sir,

In submitting herewith a copy of my memorandum and a copy of a resolution of the Municipal Council thereon passed at a meeting held this day with reference to the pay to a water brahmin in excess of the scale sanctioned in G.O. No 1293 M., dated 25th Sept. 1893, I have the honor to state that for the reasons given in my memo, I was not able to secure the services of a man for a less remuneration than Rs 14 per mensem. I therefore request that you will be pleased to obtain the sanction of the Government for the extra charge of Rs 4, incurred towards the pay of the waterman.

I beg to add that the budget provision for
