CURRENT No. 132 P
FROM

Kumool DISTRICT COLLECTOR'S OFFICE,
26 Feb 1898.

Mahomed Ragkhar Esq.,
COLLECTOR OF THE
Kumool District,

To

THE SECRETARY TO GOVERNMENT,

Local and Municipal DEPARTMENT,
Madras.

SIR,

In continuation of my extra
Cue D dated 19th instant, I have the
honour to state that the Deputy
Magistrate of Pzappali Division has
since reported that Salt and gunny
bags arriving at Kumool Road are
being disinfected by sun exposure
by the Hospital Assistant in charge
of the Local Fund Dispensary at the
station but that the process was not
authorised by him. The Hospital Assi-
stant himself explained that he is
carrying out the disinfection under the
orders of the District Medical and
Sanitary Officer. I have pointed out
to the latter officer that his order

is ultravires as it is only to Divisional
Magistrates and the Kumool Municipal
Chairman that the power of dis-
infection has been delegated.

In view, however, of the ^{medical} opinion that the precaution is
absolutely necessary and of my
observations contained in para
3 of my letter first quoted I
have sanctioned the continuance of
the practice of the disinfection
of salt and the gunny bags contain-
ing it in cases in which the article
is imported from areas infected
with plague.

I have the honor to be,
Sir,

Your most obedt servant,
