NOTE FOR THE Secretary

File I From Govt of India
Telegram read in Sep. 12 49 Public
dy 4-10 ft (Flag A), it
appears that 4 doctors
start on the 2^d October from
Raidah and five on the 9th
October from Brindisi, and
that one starts on the 6th October
from London. It is for the
S. G. to suggest their postings
and therefore for the Public to
deal with the matter.

File II. There are two points -
(1) One is whether Asst Colls are
available for being sent to
Cuddapah &

(2) The other is to telegraph to dire
to send some doctors pending the
arrival of those from England.

As regards (1), the Public Dept
remarks that "it is the view of the
majority that Asst Colls should
not be made available," but
no order embodying this view has
been communicated to this
Dept. Shall a reference be
made to her as to whether that
Dept

Dept can spare two European
by Collectors? ~~Not later~~

The second point is for Public
to deal with; ~~but~~ it appears from
the papers that India is unable
to spare any doctors.

File A III The remark of
the Public Dept quoted above
applies to this also. Shall
India be asked to send 4 Staff
Corps officers to Madras at once?

All the files seem to
me for the disposal in
Public, to whom therefore
they are forwarded.

They are reducing plague in the
in Calcutta, according to the news-
papers. Maybe some doctors will
be available from there.
H

I wrote two days ago to order
this - Am I to understand that
it has not been done yet? If
it has been, why send me this
without bringing it up to date?

3 L & M (Plague)
Extract from the Hon Sir Henry Bliss'
note of 3-10-98 on the Cuddapah
Observation Scheme

"Ask Public to supply Ask
Collectors both to Cuddapah &
N. Ark. at once, and if they can
do so, ask R.D. for European
by Collectors. Failing both,
telegraph to India for a Staff
Corps Officer for each district,
to me for Cuddapah & to
Madanapalle and to me for
N. Ark. to proceed to Jalapet
and await the Colls' orders"

It has been ascertained from
the Public Dept that ~~some~~
Ask Colls are not available.
Will Res kindly say if two
European by Collectors can be
~~found~~ supplied for plague
duty in Cuddapah & N. Ark?

It is? he difficult to spare
Mr Bird, as his work is
special: & the others cannot
be recommended

S.R. 7/10/98

H.M. will see that Mr. Wood is
available at once. Submitted
he may go to N. Arcot (H.M.
said the N. Arcot man ~~go~~ go to
Jalabhat for orders; this seems
to be a slip of the pen.)

Mr. Woodhouse will be
available only from about
28th 9.13 he to be waited for,
or the D.A. asked to send one
of the S.C. officers? I must
mention that Gen. Simpson
^{verbally mentioned to me}
~~complains~~ that the Madras regts
are extremely short-handed now,
& seemed rather concerned at being
asked for four officers for
Madras City before Plassey had
broken out there.
