the proposal is that the permanent official are to do plague duty and that the special men appointed are to do the ordinary revenue & (incise) material work.

In such cases I submit the ^{selection for the} new appts. should be made ~~into~~ by the Collectors ~~appointed~~ ~~and~~ ~~the~~ ~~list~~ & then Officer who would ordinarily make them & subject to the restrictions which apply to such selections. Whether the

Subject

Recommending the appointment of a special deputy Tahsildar and Sub magistrates to relieve the Tahsildar of Alur of his ordinary work during the continuance of plague at Chippagiri.

Submitted to Government. The proposal is I think necessary. I consulted Mr. Elwin about the matter at Guntur. The arrangements for evacuation of the village, feeding the person in camp, arranging supplies for the refugees are so near as to take up all the time of the Tahsildar. The construction of sheds is very difficult in this village & the arrangements for materials is also much labor.

SIR,

I have the honour to very strongly recommend the appointment of a special Deputy Tahsildar and Sub Magistrate to relieve the Tahsildar of Ahur of his ordinary work during the continuance of plague at Chippagiri in the Ahur taluk. The Tahsildar's duties in connection with the plague are of a most onerous nature, and as there is no stationary Sub Magistrate, but only a taluk sheristadar at Ahur the ordinary work will inevitably fall into hopeless arrears unless some special assistance is given.

Submitted to Government. I consider
a Deputy Tahsildar is necessary - The
Tahsildar has to look to the execution
of a large part of Tummancherla
Village and the construction of huts
for the people turned out of their homes.
He has had also to arrange for the
execution of several huts in Puntal.
He has to arrange for the feeding of
the persons in the Plague hospital &
Camp - & the ^{from} supervision of
the preparation of the Village. He was
hard at work all the time I was in
Puntal. Unless he personally
superintends the Plague Cooks, they will
disappear. It is impossible for the Tahsildar
under the circumstances to do his

SIR,

I have the honour to state that the Plague work at Guntakal has increased to such a great extent that it is impossible for the Tahsildar of Gooty to attend to it without detriment to his other ordinary work - I have directed the Deputy Tahsildar of Bravaconda to assist him and he was at Guntakal for the last three weeks. Owing to the occurrence of two plague cases in Bravaconda lately he was directed to go at once there. I cannot also spare any other Deputy Tahsildar for the work at Guntakal. From my daily experience of the work here I submit that it requires a full trained Deputy Tahsildar and

therefore request that sanction of Government may be obtained for the entertainment of a Deputy Tahsildar on Rs 120, a clerk on Rs 20 and four peons on Rs 7 each.

Work for the C.A.

The Commr of Bellary & the Plague Commr recommend the appl. of a special Dy Tahsildar sub. magte to relieve the Tahsildar of Alur of his ordinary duties to enable the latter to ^{attend} solely to Plague work.

The pay of the Dy. of Alur being Rs 175, the appointment of the officer as an "Assistant Plague officer" may be considered to be within the competence of the Plague Commr to sanction as his powers extend to the nomination of officers whose salary does not exceed Rs 200.

2. Salary under article 98 of the C.A. Code, the Dy. may be entitled to a deputation allowance of one-fifth of the salary; in which case his salary ^{of Rs 210} + deputation allowance exceeds the above limit by Rs 10 -

deputation ^{were} allowances, ~~and deputation~~ also
form part of salary: ~~see~~.
While 98 treats ^{however} deputation
allowance as distinct from
salary:

Under amended regulation

manual (Page 38), framed
prior to the appointment of
Plague Commr., it was required
that the sanction of Govt. shall
be obtained in the case of all
appointments made in
connection with the plague
the cost of which is debitable to
the ordinary source head, as
in the present case -

The Colr of Amantapur & the
Plague Commr. recommend the
interment of a Dy. Sub.
on Rs. 120, a clerk on Rs. 20, & four
Peons (Rs. 7) for plague duty at
Guntakal. This is a matter
with which the Plague Commr.
can himself deal, ^{apparently} under the powers
conferred on him by para 2 (2)
G.O. No 1122 P of 20. 9. 98

But article 47 would include
"Deputation Allowance" in
"Salary"
