1. "Read letter N^o 158²⁰⁻⁶⁻⁹⁸ from the Principal
" Victoria College, requesting that,
" under the circumstances stated, the
" resolution of the Municipal Council
" dated 20th April 1898 in re. the
" appointment of an additional teacher
" and the replacement of certain masters
" in the Victoria College may be re-
" considered."

"The Council further resolve that, owing
" to the great increase in the strength
" of the College classes generally and of the
" Matriculation class especially, an
" additional graduate teacher on Rs 50
" be appointed with the sanction of
" Government."

2. The circumstances under which the
services of an additional teacher are
required are explained by the Principal
in his letter addressed to me on the 20th
Ultimo as follows:-

5. "In my letter N^o 97 of 23rd March
" 98 I stated that our Matriculations
" Forms would probably rise to 130 in

" June - there are now 131 on the rolls
" of these Forms, and it is my firm
" conviction that a great injustice
" is being done to these boys in attempt-
" ing to teach them in two huge Divi-
" sions of 66 and 65 students respective-
" ly. The services of an extra man,
" who should be a graduate in History
" (so as to relieve me of part of the
" F. A. History work and allow me
" to devote more time to English) should
" be at once engaged. The strength
" of the whole Institution is now 474
" and the fee receipts for this Term
" will exceed the budget estimated by
" at least 1,000 Rs. The statement of
" receipts and disbursements showed
" a profit on the College in 1897-98 of
" Rs 1794-6-8 and there can be no
" doubt that the profits in 1898-99
" will exceed those of last financial
" year. The increase in the fee receipts
" will amply warrant the Council
" in engaging the services of an
" additional assistant on Rs 50 per
" mensem or even on higher pay if
" necessary"

4. The necessary proposition statement and an application for allotment of funds are herewith submitted.
