FROM

THE Collector of

Cuddapah

To

THE

Plague Commission, at
Guntakal.

SIR,

As Plague is spreading in Mysore, I think Cuddapah should be formally placed under observation and it would be well to organize an Ambulance Corps in addition to the inspection stations and circles already sanctioned. I have the honour to request that these proposals may be approved as early as possible. An isolated case of plague may occur at any time now in Madanapalle and Kadiri.

ENCLOSURES 2
SUBJECT.

Submitted to Government. I have
been informed Mr. Harding is
short his articles. It seems very
advisable to place the District under
observation. It is most probable that
plague exists in several villages in
Mysore which are not yet reported
to and all the Mysore-Cuddapah
frontier. I think the Dept
should be placed under close observation.

Requesting that Cuddapah under close observation
should be placed finally
under observation and
an ambulance corps
be organized.
