The Collector of Anantapur

Sir,

I have the honor to submit herewith for favour of sanction, a proposition statement for the appointment of an additional teacher for the Municipal High School, Anantapur, for the charge of the I form.

2. The Lower Secondary Department has been greatly increased year increasing in strength. Its revenue has also increased so much that even after meeting therefrom the cost entailed on the Municipality in the working of the Upper Secondary and the Primary Departments there was a net saving of Rs. 142-3-2 in 1896-97 and Rs. 438-0-0 in 1897-98.

3. On the other hand the working of the department has been very unsatisfactory as is apparent from the disastrous results produced at the Lower Secondary examination.

4. This is mainly due to the fact that the I form which and which now contains 26 pupils lays the foundation of Lower Secondary Education, not having a teacher of its own, who can be held responsible
