The Municipal Council is
competent to grant the site
question as it does not appear
form part of a thoroughfare or
be land over which the public
right of way. It is apparently
the property of Govt. and if so
application should be made to the
Revenue Department.

Sr,

I have the honor to request the sanction
of Government for the free grant by the Municipality of the sites shown in the accompanying sketch forming the margins of streets and adjoining the Reading room to the Diamond Jubilee Committee, who have undertaken to construct a hall in commemoration of Her Majesty's jubilee by public subscriptions. The hall will be an extension of the Reading room which is a public institution registered under Act 21 of 1860.

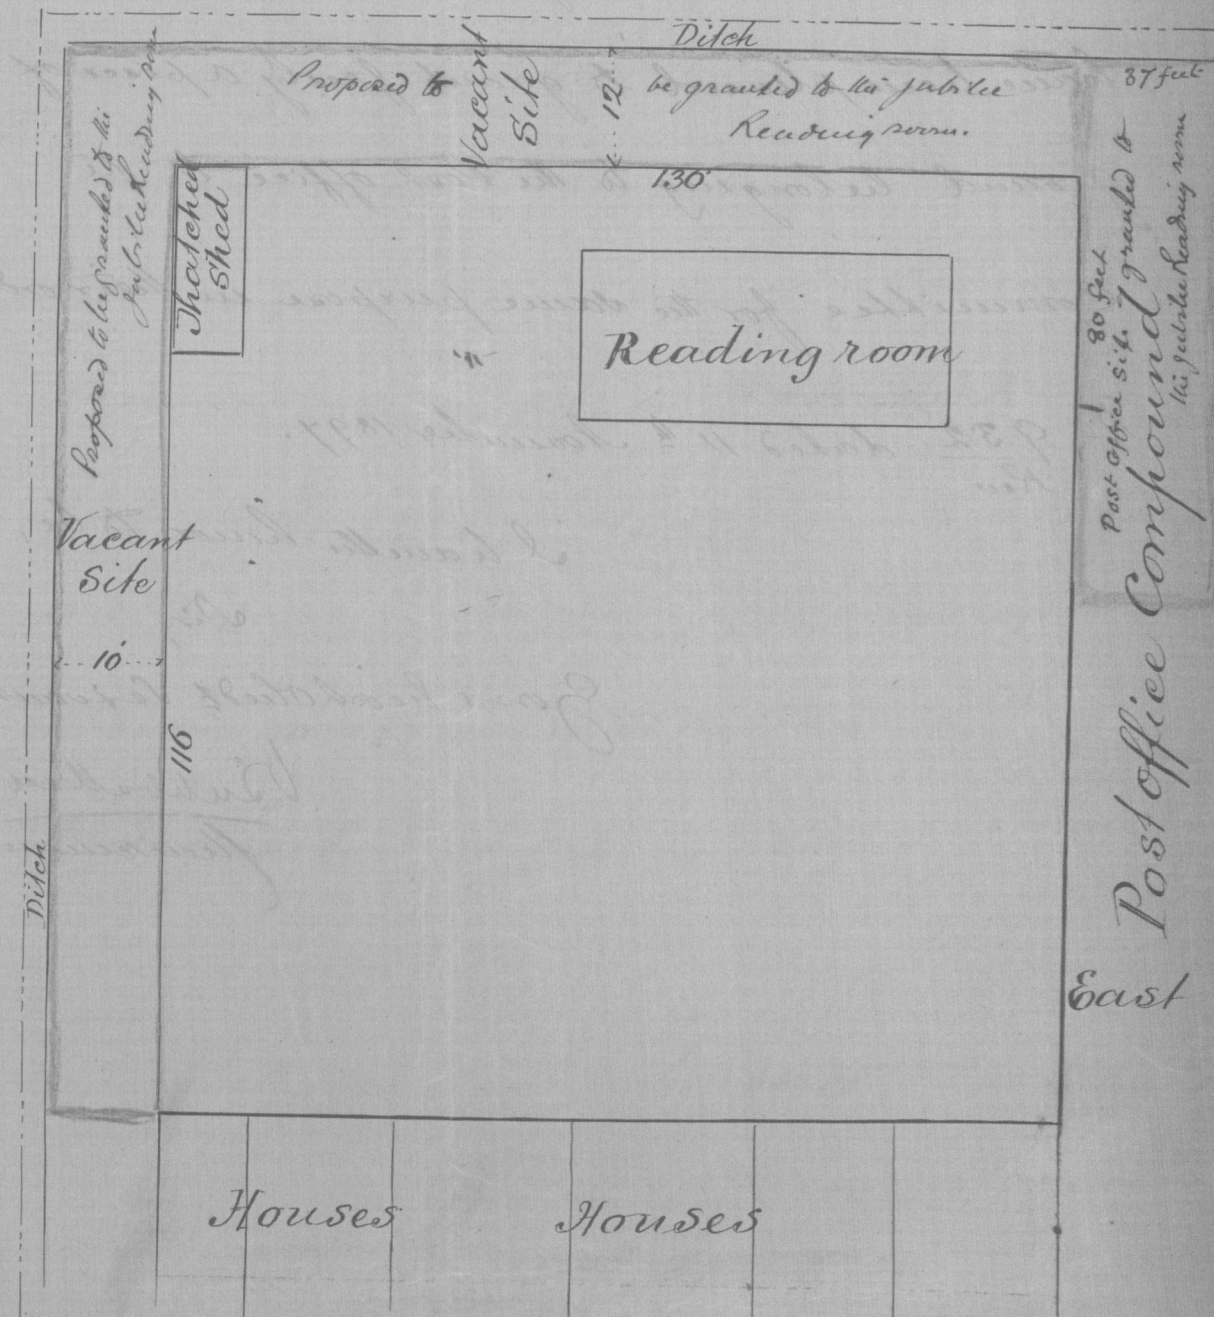

The Committee want the sites for purposes of the Reading room and as they are within the frontage lines of the adjoining houses, the Council considers, that they may without any objection be granted. They measure on the west 10' by 116' and on the north 12' by 136'. The Government have been pleased to grant freely a piece of ground belonging to the Post office to the Committee for the same purpose in their order.
