ENCLOSURES

SUBJECT

Submitted to Government with the request that the following places in Southern India may be notified as plague infected areas.

- (1) Alur Taluk, Bellary Dist.
- (2) Gooty Taluk, Anantapur Dist.
- (3) Mysore Province.

No cases of plague have been imported into the Madras District from Bangalore by railway and by road, it seems safer to declare whole of Mysore State as infected.

M. M. M.
Plague Commissioner

Requesting that Guntur Junction & Timinancheru may be declared to be an infected area

Plague cases have occurred here at Tundupur, Anantapur, Uraacanda - Othammaracora. It would be best therefore to declare all Anantapur as infected.

No. 214P

Plague

FROM Banatyne Macleod Esq., D.O. Bar at Law
COLLECTOR OF

Anantapur

To Plague Commissioner
THE SECRETARY TO GOVERNMENT, Ootacamund.
DEPARTMENT,
Madras.

SIR,

I have the honor to request that
Guntakal Junction & the village of Thimmanchala
which is about half a mile from the Junction
may be declared infected area as all the plague
cases that have till now occurred are from
these places & the present way of styling the area as
Guntakal is inaccurate.

I have the honor
to be sir

Your most obedient servant.

M Macleod
Collector
