521 I beg to report that about 1 Pm this day, information was brought me that four persons were suffering from fever in Addigisi Kristappa's chattram. I went to the spot at once and found both the Hospital Assistants (one attached to the Railway station and the other to the dispensary here) attending to 4 patients two men, 1 woman, and one boy. One man had a high fever. There were no swellings above their bodies. I have had them removed to the segregation camp and have directed the Hospital Assistants to disinfect all the inmates in the chattram. I spoke to the people themselves and they seemed quite willing to obey any instructions given them. The 4 sick persons are mahatta tailors. It is reported that they have come from Bangalore. I have directed the Hospital Assistants to incur any expenditure absolutely required. I beg -

instructions regarding the fitting up of the segregation
camp.
