GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—again the following paper:—

G.O., No. 93 P., dated 26th February 1898.

ABSTRACT.—Ordering the publication, in the Fort St. George and District Gazette, of a notification prescribing, under the Epidemic Diseases Act, additional regulations to be observed in district municipalities and other towns and villages; and declaring, with remarks, the districts of Bellary and Kurnool to be under observation.

ORDER—No. 1359 P., dated 22nd October 1898.

In paragraph 5 of the order read above, the Government ordered that Plague Supervisors should be paid Rs. 150 + Rs. 30 fixed travelling allowance + Rs. 15 horse allowance and that the men for these posts should be Europeans or smart Eurasians from the Salt and Abkari and other departments. As the men that are now being appointed for these posts are either acting Assistant Inspectors or Sub-Inspectors of the Salt and Abkari department, it appears that the above rates are rather unnecessarily high for them. The Government therefore resolves to direct that the pay of the Plague Supervisors shall in future be their permanent pay + 25 per cent. thereof + Rs. 30 fixed travelling allowance + Rs. 15 horse allowance, provided the permanent pay + 25 per cent. thereof does not fall below Rs. 80. This ruling will not apply to those who have been already appointed to these posts.

My dear Tremenhoe,

I received on Wednesday your telegram asking me to depute three more Salt men as Plague Supervisors and am complying with it by sending three Sub-Inspectors-men who draw Rs.60 or Rs.70 on ordinary duty. While doing so I think it well to say a word about the pay of these men which you may think worthy consideration. You pay a Plague Supervisor Rs.150, with fixed Travelling Allowance Rs.30 and a horse allowance of Rs.15, and you would like to have Assistant or Sub-Inspectors, smart Europeans or Eurasians, of this department for the places. Pay of Plague Supervisors

FOR ORDERS.

- M-2.* In G.O. 93 P. of 26-2-98, it has been ordered that men for the posts of Plague Supervisors should be Europeans or Eurasians from the Salt & Akbari or the Police Dept. Their remuneration has been fixed at Rs 150 pay + Rs 30 fixed travelling allowance + Rs 15 house allowance.
2. Mr. Thomson points out that an Asst. Inspector of the lowest grade who gets Rs 125 + Rs 2 or 3 day travelling allowance and is generally housed free, gains hardly anything by appointment as Plague Supervisor, while an Asst. of either of the higher grade would be a loser. He has therefore made his selections chiefly from the grades of Asst. Asst. Inspectors and

and sub-inspectors, but observes that under the existing arrangements men of the latter class draw not more than their ordinary value. He therefore suggests that if sub-inspectors are required, they should be paid better, and that if sub-inspectors are good enough, they should not get such large emoluments.

Rs 30
40
50
60
70

3. In April last, the Colls. of Bellary proposed that sub-inspectors should ^{might} be allowed 50 per cent over their salary of their grade in the Dept instead of the full pay of Rs 150. But the Board of Revenue objected and observed - "The two sub-inspectors in question were deputed to plague duty under instructions from Government in the absence of a sufficient number of staff of the class required and were sent to Bellary on the understanding that they would receive the declared pay of plague supervisors. The Board understands that their work is arduous and distasteful and living under the circumstances expensive. It sees no reason therefore ^{why} they should not receive the full pay of their

their appointments, if they are qualified to fill them." Full pay was accordingly sanctioned in Feb. Rs 390 P. d/26-4-98.

4. It is submitted that officers of the Dept of superior grades (say those not drawing less than Rs 100) deputed for plague duty should get their grade salary + travelling allowance of according to the rules & should be declared eligible to the leave & furlough concession granted by the Govt of India for plague or famine duty, and that those of inferior grades may be allowed an increase of 50 per cent over their pay + usual travelling allowances.

5. The Plague Commr's opinion may be invited.

26/3/98

I submit the P.C. opinion in para 3 correct. But if the work, the opinion of the P.C. will be taken.

Yes, but perhaps better let the P.C. have his say - Mr. T. S. better may be sent to him D.O. for return with his opinion.

Order 1359 P. of 22-10-98.

In para. 5 of the order read above the Government ordered that Plague Supervisors should be paid Rs 150 + Rs 30 fixed travelling allowance + Rs 15 horse allowance and that the men for these posts should be Europeans or smart Eurasians from the Salt and Abkari and other Departments. As the men that are now being appointed for these posts are either Acting Assistant Inspectors or Sub-Inspectors of the Salt and Abkari Department, it appears that the above rates are rather unnecessarily high for them. The Government therefore resolves to direct that the pay of the Plague Supervisors shall in future be their permanent pay + 25 per cent thereof + Rs 30 fixed travelling allowance + Rs 15 horse allowance, provided the permanent pay + 25 per cent thereof does not fall below Rs 80. This ruling will not apply to those who have ^{been} already appointed to these posts.
