OCTOBER.

South Canara.

Approving the recommendation of the Plague Commissioner and ordering the publication of a notification in the Fort St. George Gazette applying Regulation 29 of the Regulations to the District of —.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers:—

From A. F. PINHEY, Esq., Acting Collector of South Canara, to the Secretary to Government, Local and Municipal Department, dated Mangalore, 17th October 1898, Ref. on C. R. No. 1662-Eng.

In continuation of my telegram of this day's date announcing the occurrence of a strongly suspected case of plague in this district, I have the honour to give the following details thereof which are reported till now.

2. Two persons mother and son arrived from Bangalore six days ago at Kumbhasi village which is on the coast road about four miles to the south of Coondapoor, the head-quarters of the taluk of the same name. The son (a boy) got fever two days after arrival and died on the morning of 16th and his body was burnt before it was known that he died of plague. Soon after the Potal and Revenue Inspector reported to the Tahsildar that there was a strong rumour that the boy had swellings in the arm-pits. The Tahsildar accordingly went to the place in company with the local Medical Officer and has wired that the case is strongly suspected to be one of plague and that no fresh case has occurred. I have called for further particulars as to the grounds for the suspicion and the measures adopted to segregate contacts.

3. The District Medical Officer was about to leave for the place, but I stopped him pending receipt of further information, as I want him at head-quarters just at the district under observation is approved. The Head Assistant Collector, in whose division the said village lies, will no doubt supervise the arrangements. The District Medical Officer and myself will go to the village if circumstances render it necessary.

4. I request that the district may be placed under observation as already suggested by me to the Plague Commissioner.

Ref. on C. R. No. 1662-Eng.
